- **Mrs. Sanchez's FIRST Classes!** To all my students this year, thank you for making my first year of teaching amazing. You have made me cry, laugh, get mad, sad and all the emotions. But the best things have been the moments you have come just to say hi, when you sang on my birthday, when you come to talk because you are having a bad day or you just swung by to show me you improved your grades! I am thankful that you were the ones that made me a teacher!!!! I loved every moment of every day with you guys! ~Z. Sanchez
- **Coral Gonzalez Garay!** Coral is an amazing student who is always on task and takes pride in her work. Thanks for being a highlight in my day! ~P. Opp
- **Arlett Moreno Pena!** Arlett came into my class last 9 weeks and has been an amazing help. Thank you for being such a help in class. ~P. Opp
