- **Wendy Rodan!** I would like to give a shout out to Senior Miss Wendy Rodan. I was in Kroger Friday and she works there. I had no idea she was a senior here at Cleveland ISD. I have neuropathy in my legs and sometimes it will act up, I have to use an electrical cart at the store, this was one of these times. I was picking up a few things when it started running out of electricity. I made it up to her department just as it died and she was so kind, she went and got me another cart and started transferring everything to the new cart. Her act of kindness was so special to me. We had a conversation. As I was thanking her she saw my Cleveland ISD shirt and was so excited that we both are a part of the same district. and she is so proud to be an CISD Indian and I was so moved that I had to give her a shout out. I don't get to talk to many seniors since my department has moved out of the HS building, but I have to say; Miss Wendy Rodan made me proud to be an Indian. I wish her all the best. She is a Star★ ~J. Erickson
