PYP EXHIBITION

ABA PYPx 2022! What an amazing journey of creativity and inquiry for our Grade 5 students and parents who were equally thrilled to be on campus today to witness their unique ideas. The PYP Exhibition website is officially LIVE. There are 71 individual inquiries that demonstrate a greater understanding of 16 of the UN Sustainable Development Goals (SDG). View the extraordinary work of our Grade 5 learners **HERE!** 

Please see the 'SDG Links - Student Websites' menu at the top of the main page to view the individual websites, research, creative projects and action the students have undertaken.

Take some time to read through a selection of individual Grade 5 websites. Please add feedback using the Google feedback forms beside each of the student's profile pics. Our students will really appreciate it.

MIDDLE SCHOOL

CATS AND DOGS FUNDRAISER

Our MS students have been working with Ms Andrea on making tote bags and other accessories to raise funds for Muscat Dog Adoption to help stray dogs and cats. They will be selling the products from Sunday to Thursday in the MS Art Room during the 2nd break. If you would like to purchase any of the products that will be displayed on our social media handles closer to the time, please send cash (small denominations) with your child. Thank you for your generosity in supporting this cause.

SING! OPEN REHEARSAL

MS students and parents thoroughly enjoyed Tuesday's open-rehearsal. Big thank you to Ms Babb and Ms Zita and to all those who attended the wonderful musical experience.

MS STUCO ASSEMBLY- ABA'S GOT TALENT

MS Student Council planned, organised and presented a fabulous ABA's Got Talent assembly in the MPH. There were singers, musicians and dancers, and the calibre of talent was off the scale.

The students voted with their cheers and Jassim's vocal performance came in first place, followed by Alexander on the piano and McKenzie singing 'Let it Go'. Kudos to our amazingly talented ABA vipers!
- Inputs from **Talal Al Raisi**

MS CREATES - CHESS

El Classico match between two chess prodigies Arsenii Chupin and Jack took place in this weeks MS Creates chess activity. Well done to Arsenii for winning the match.

MS INQUIRY

Energy balls and smoothies were on the menu in 'Do you know how to breath' with Ms McKay.

There's always time for a spot of Yoga

WHAT'S COMING UP IN MIDDLE SCHOOL

- Grade 6 Field Trip to COMEX at the OCEC on **Tuesday 24th May**
- MS Disco (date and time to be confirmed)
- Arts Unleashed 'Midsummer Night's Dream' productions **4pm & 6pm on the 7th & 8th June.**
- MS Semester 2 reports to parents on **June 13th**

MS CARES

Our Middle School students showed great agency and drive in raising money (500 rials) to support various initiatives undertaken by charities such as OCA, Dar al Ata'a, UNICEF and Muscat Dog Adoption. On Tuesday, 17th May, MS students presented Dr Manar Al Zadjali and Ms Suhaila Al Balushi from the Oman Cancer Association with a cheque of 200 rials.

"OCA supports cancer patients and they have a vision to reduce the burden of the disease. If given a chance, we would really like to work with the OCA in the future" - Inputs from **Shyam, Angie and Sama**

SUPPORT SESSIONS: UNDERSTANDING VISUAL TEXTS

On Wednesday 18th May, DP students, Sarah Al Tae & Georgia Isles, delivered a **Visual Texts Masterclass** to grade 8 Language & Literature students. Visual texts are texts in which meaning is shaped and communicated by images rather than words. The Masterclass was an opportunity for the grade 11s to showcase their analytical skills; Georgia showcased an image from the documentary, My Octopus Teacher, and Sarah presented a powerful photograph taken by Gordon Parks. The grade 8s had the opportunity to build on the visual text terminology they already knew, while asking questions about what to expect from the DP unit. A big thank you to Sarah and Georgia for their lively Masterclass and taking the time out to visit MS.

HIGH SCHOOL - ARTS

GRADE 11 MUSIC TRIP TO ROYAL OPERA HOUSE MUSEUM

The Royal Opera House Museum is amazing by any standards and is probably unique in the world for showcasing music and ideas encompassing far more than just Oman's connections with other countries. It was not just a showcase of different instruments, but a look at manufacturing techniques, understanding the physics of how sound is created and how instruments are used in the wider context of an orchestra or band. The trip proved to be truly enriching for our G11 students.

ABA ATHLETICS

The Athletics Directors in the six MESAC schools have met each week virtually in zoom conferences, but this last weekend they were able to meet face to face and start planning for the next school year. Please see the MESAC schedule for the next school year with planning now commencing for a full travel and hosting year ahead.

Domestically, things are also looking much improved and there may be some MS inter-school basketball games on our new campus very soon too.

There is much to be optimistic about and if you have a child who will be in Grade 8-12 next year and who may be involved in MESAC teams, this is a timely reminder to check that passports are not expiring in the next 12 months. If they are, the summer holiday does give a good opportunity to have these renewed.

STAND FOR SOIL

Mr Ruaridh Mackenzie, has written an an informative article on the importance of soil health and the urgency to increase organic content in cultivatable soil. In his article, Mr Mackenzie addresses the global Save Soil movement launched by Sadhguru. The purpose of this key movement is to address the soil crisis by bringing people from around the world together to stand up for soil health. [Read the full Article here](#)

MOTHER LANGUAGE PROGRAMME

Ms Faten, Arabic teacher (KG-G1)

السلام عليكم.

بالنسبة لمجموعة العربي FC لهذا الأسبوع درسنا حرفي الضاد والطاء مع تلوين لصورتي الضفدع والطائرة وألعاب مطابقة الصورة مع الحرف المناسب، بالإضافة إلى مراجعة المفاهيم التالية: الألوان، والعائلة أب أم أخ أخت، ومفهوم الليل والنهار، ومن أنا.

بالنسبة لل K3 ، هذا الأسبوع كان لحرفي الطاء والعين وموقعهما في الكلمة أول ووسط وآخر الكلمة مع الكثير من المفردات والصور. بالإضافة إلى ألعاب كلمات وحروف، ومفاهيم الألوان، والعائلة، وحيوانات المزرعة. و أوراق عمل عبارة عن محاولة قراءة الكلمات وتوصيلها مع الصورة المناسبة.

وبالنسبة للصف الأول نركز الآن على قراءة النصوص الصغيرة ومناقشتها من خلال أسئلة بسيطة، وأيضا قراءة القصص القصيرة و ألعاب كثيرة ومسابقات مثل: من يقرأ أكبر عدد من الكلمات في مدة بسيطة في محاولة لجعل القراءة شيئا سهلا . وسنستمر على هذا البرنامج حتى آخر العام الدراسي بإذن الله .

Ms Frau Anne, German teacher

Die jüngere Klasse und die ältere Klasse.
Im Deutschunterricht lernen die Schüler sich zu präsentieren, mündlich so wie schriftlich. Sie präsentieren sich mit Namen, Alter, Klasse, Wohnort, Herkunftsland, Sprachen, die sie sprechen und Hobbys.

Die Schüler haben auch eine Figur von sich selbst gezeichnet und haben die Figur mit verschiedenen Flaggen gefärbt. Die Flaggen repräsentieren die verschiedenen Sprachen, die jeder Schüler spricht. Ich bin erstaunt wie jeder Schüler innerhalb kurzer Zeit, mit mehreren Sprachen „herumjonglieren“ können :O

Im Moment lernen sie von den Strukturen der Sätze; wie man einen Satz bildet. Dafür benutzen sie „Bausteine“ aus mehrfarbigen Karton. Die „Bausteine“ sind verschiedene Wörter, die man benutzt, wenn man einen Satz schreiben soll.

Die Schüler werden zunächst mit dem Thema, „Mein Lieblingstier“ arbeiten. Sie werden Information so wie Bilder oder kleine Videos über ihre Tiere suchen. Sie werden ihre Lieblingstiere für die Klasse präsentieren.

In der Klasse mit den älteren Schülern werden wir wahrscheinlich mit dem Thema „Mein Hobby“ arbeiten.
