## Emergency Policy

### Applicability of Emergency Policy

During a state of emergency declared by the Board of Trustees or other local, state or federal agency, official, or legislative body, the provisions in this emergency will govern in the event of any conflict or inconsistency between an emergency policy and other provision in the district policy manual. All other aspects of the district policy manual not affected by the provisions in the emergency policy series continue to be in full effect.

### Legal References

In the absence of a legal reference on an emergency policy adopted by the Board of Trustees, the policy is specifically based on the Board of Trustees authority to supervise and control the schools within the District in accordance with Article X, section 8 of the Montana Constitution.

### Student, Staff, and Community Health and Safety

The School District has adopted the protocols outlined in this policy during the term of a declared emergency to ensure the safe and healthy delivery of education services provided to students on school property, a safe workplace when staff are present on school property, and the safety, health and well-being of parents and community members. The superintendent is authorized to implement protocols in coordination with state and local health officials.

### Administrative Procedures

The Superintendent is authorized to develop procedures to implement this policy and ensure the safety of stakeholders.

### School District Meetings, Gatherings, Events, and Visitors

The School District has adopted the protocols outlined in this policy to govern during the term of a declared emergency to ensure individuals present at a school facility for events or other operationally related reasons honor safety protocols. The superintendent is authorized to implement protocols in coordination with state and local health officials.

The Board of Trustees authorizes the Superintendent to develop procedures for physical meetings, gatherings, and events when the event is deemed essential to district operations.

### Facilities Use Agreements

The Board of Trustees authorizes the Superintendent to suspend community use of District facilities. Facilities Use Agreements and other similar requests submitted in accordance with District Policy 4330 shall be considered on an individual case by case basis. Any authorized use must comply with Local, State and Federal guidelines.

### Public Awareness

The School District will communicate with parents, citizens, and other necessary stakeholders about the protocols established in this policy and the steps taken to implement the protocols through all available and reasonable means.

### Confidentiality

This policy in no way limits or adjusts the School District's obligations to honor staff and student privacy rights. All applicable district policies and handbook provision governing confidentiality of student and staff medical information remain in full effect.

### Offsite and Online Instructional Setting

The Board of Trustees authorizes off site and online instruction of students, which satisfies the aggregate number of instructional hours outlined in the School District's adopted school year calendar. Offsite and online delivery methods shall include a complete range of educational services offered by the School District and shall comply with the requirements of

applicable statutes. Students completing course work through an offsite or online instructional setting shall be treated in and have their hours of instruction calculated in the same manner as students attending an onsite institutional setting. Students receiving off site delivery of education services may be eligible for assistance with accessibility to offsite or remote learning opportunities.

#### Student Attendance

The Board of Trustees authorizes administration to set an attendance policy for students that takes into account the location of instructional services, the applicability of proficiency-based instruction, the student's grade level, and the health and safety of the student and their household during a state of emergency. Students are expected to complete assigned work. If a student is not present for the instructional day, the student shall be permitted to complete all work assigned by the teacher if not present for instruction within a reasonable period of time determined by the school. Students shall not lose credit or incur a grade reduction for reasons related to attendance.

#### Student Safety and Counseling

Students shall have access to regular school counseling services whether their instruction is provided in an onsite, offsite or online setting. Staff shall promptly report any suspected student distress or concern to their supervisor for review and referral. Students receiving instruction in an offsite setting are governed by the staff obligation to report suspected child abuse or neglect.

#### Homeless Students and Students in Foster Care

This policy in no way limits or adjusts the School Districts obligations to homeless students or students in foster care. Applicable District policies serving these students or this population of students remain in full effect.

#### Student Discipline

This policy in no way limits or adjusts the School District's expectations for student conduct. All applicable district policies and handbook provisions governing student conduct remain in full effect.

Adopted: 05/18/2020

Face Coverings as Personal Protective Equipment

This policy applies during the COVID19 state of emergency declared by the Board of Trustees or other local, state or federal agency, official, or legislative body. This policy is adopted, implemented, and enforced in accordance with the supervisory authority vested with the Board of Trustees in accordance with Article 10, section 8 of the Montana Constitution. The Board of Trustees authorizes the Superintendent to develop and implement procedures to enforce this policy.

The School District requires all staff, volunteers, visitors, and school-aged students to wear a face covering while present in any school building, regardless of vaccination status. The School District also requires all staff, volunteers, visitors, and school-aged students to wear a face covering while present at any outdoor school activity with fifty (50) or more people where physical distancing is not possible or is not observed. Face covering means disposable or reusable masks that cover the nose and mouth. The School District will provide masks to students, volunteers, and staff, if needed. If a student or staff wears a reusable mask, the School District expects that the masks be washed on a regular basis to ensure maximum protection.

Students, staff, volunteers, and visitors are not required to wear a mask or face shield under this provision when:

1. consuming food or drink;
2. engaged in strenuous physical activity;
3. communicating with someone who is hearing impaired;
4. identifying themselves;
5. receiving medical attention; or
6. precluded from safely using a face covering due to a medical or developmental condition. The superintendent, building principal, or their designee shall request documentation from a care provider when considering an exception to this provision for medical or developmental reasons. The School District will comply with all applicable disability and discrimination laws when implementing this provision.

When students and members of the public are not present, staff may remove their masks if they are at their individual workstation and six feet of distance is strictly maintained between individuals. If students are working in small groups, the students must be wearing masks.

All points of entry to any school building or facility open to the public shall have a clearly visible sign posted stating the mask requirement.

Allegations of harassment of any person wearing a mask or those with recognized exemptions to the face covering requirement will be promptly investigated in accordance with District policy. Failure or refusal to wear a mask by a staff member or student not subject to an exception noted above may result in redirection or discipline in accordance with District policy and codes of conduct, as applicable.

**Facts:**

1. The Board is required to appoint a superintendent for the 2021-2022 school year.

3. On February 8, 2021 the Board of Trustees approved a motion to appoint an internal interim Superintendent for the 2021-2022 school year and to conduct a Superintendent search during the 2021-2022 school year.
4. Board leadership discussed the interim Superintendent position with Dr. Marilyn King and Mr. Casey Bertram to gauge interest and consider optimal central office organizational structure during this interim period. Several options were discussed and the group agreed to recommend Mr. Casey Bertram as interim Superintendent for the 2021-2022 school year.

It is recommended that the Board of Trustees appoint Mr. Casey Bertram as interim Superintendent effective July 1, 2021 through June 30, 2022.

**Fiscal Impact:**

**Topic:**

Consider Approval of the Bozeman On-Line Charter School (BOCS) application.

**Facts & Discussion:**

The Bozeman On-Line School was implemented at the beginning of the 2020-21 school year due to the need for elementary and middle school families to engage in remote instruction during the covid pandemic. The experience has been positive for families and has prompted the application for public charter school status as defined by Montana Code Annotated 10-55-604 (Section 11). If approved, the charter school would allow for student enrollment in fall of 2021.

As defined by law, the application for a charter school must be approved by the local Board of Trustees prior to the application deadline (first Monday of March). If approved by the BSD7 Board of Trustees, the application would be forwarded to the Montana OPI and eventually to the Montana Board of Public Education for final approval.

This time has been set aside for the Board of Trustees to hear information and rationale related to the charter school application and to consider the application to the Montana OPI.

In preparation of the charter application, several stakeholder meetings have occurred.

- February 4, 2021: Planning meeting with district and school leadership and teaching staff.
- February 8, 2021: Board education for trustees and public about the charter school application process and the proposed charter school. Attendees included a member of the local media.
- February 9, 2021: Informational discussion with community stakeholder groups involved in emergency child care. Attendees included representatives from Greater Gallatin United Way, YMCA, Child Care Connections and other child care organizations.
- February 11, 2021: Informational Zoom presentation provided to the community.
- February 12, 2021: Information provided in the BSD7 Weekly Communication to families and staff.
- February 15, 2021: Interest survey sent to families and individual conversations conducted with families who had questions about the charter school/application process.
- February 17, 2021: Presentation to Board of Trustees at a special public board meeting.

Representatives from several state educational organizations have been contacted directly for feedback and advice regarding the charter application process:

- MT Office of Public Instruction
- Montana School Boards Association
- Montana Education Association

- School Administrators of Montana

The charter school planning team, which includes teaching staff and leadership, has created a shared vision statement as well as a framework that describes the essential components of the future charter school.

- **Bozeman On-Line Charter School Shared Vision:** The BOCS will provide a model of instruction that is flexible and creative to ensure all students are met where they are in their learning and are supported as they advance in their learning. The BOCS aims to enrich each student with a sense of purpose, a belief in personal efficacy, and a passion for learning.
- **Bozeman On-Line Charter School Framework:** Through staff collaboration regarding desired outcomes a framework was created that outlines the essential components of the envisioned future for the charter school. The framework can be accessed [HERE](#).
- **Bozeman On-Line Charter School Mini-Playbook:** A mini-playbook was created that details some additional aspects of the school. The mini-playbook can be accessed [HERE](#).

**Fiscal Impact:**

Every effort will be made to make the staffing of the BOCS budget neutral. However, it is anticipated that there will be some costs associated with staffing as well as instructional resources..

**Recommendation:**

The Superintendents request the Board approve the Bozeman On-Line Charter School application as presented.

**Other Alternatives:**

1. Do not approve the recommendation.
