**Topic:**

Consider Approval of Revisions to Policy #2333 - Participation in Commencement Exercises

**Facts:**

1. This policy was most recently revised on 12/14/2020 during the bulk revisions the District engaged in with the Montana School Boards Association (MTSBA).
2. The policy revision as written would provide flexibility to allow students to walk in commencement ceremonies if they are on-track to complete their credits and have a firm summer plan to do so. The current stock language from MTSBA doesn't align with current district practice.

**Recommendation:**

It is recommended that the Board of Trustees approve the policy updates.

**Other Alternatives:**

1. Do not approve the recommendation and request administration propose changes.

Participation in Commencement Exercises  
Statement of Policy

A student's right to participate in a commencement exercise of the graduating class at ~~Bozeman High School~~ **a Bozeman School District high school** is an honor. As such, participation in this ceremony is reserved for those members of the graduating class who have completed all state and local requirements for graduation before the date of the ceremony. ***Exceptions to this policy may be granted by the building principal for students in extenuating circumstances who have a reasonable and achievable plan to complete any remaining graduation requirements during the summer following the commencement ceremony prior to the start of the next school year.*** Students who complete their requirements after the date of commencement exercises will receive their diplomas at that time.

Organization and Content of Commencement Exercises

The school district will permit students to honor their American Indian heritage through the display of culturally significant tribal regalia at commencement ceremonies. Any item that promotes drug use, weapon use, threats of violence, sexual harassment, bullying, or other intimidation, or violates another district policy, state, or federal law may not be worn during graduation.

The school administration may invite graduating students to participate in high school graduation exercises according to academic class standing or class officer status. Any student who, because of academic class standing, is requested to participate may choose to decline the invitation.

The school administrators will review presentations and specific content, and may advise participants about appropriate language for the audience and occasion. Students selected to participate may choose to deliver an address, poem, reading, song, musical presentation, or any other pronouncement of their choosing.

The printed program for a commencement exercise will include the following paragraphs:

*Any presentation by participants of graduation exercises is the private expression of an individual participant and does not necessarily reflect any official position of the District, its Board, administration, or employees, nor does it necessarily indicate the views of any other graduates.*

*The Board recognizes that at graduation time and throughout the course of the educational process, there will be instances when religious values, religious practices, and religious persons will have some interaction with the public schools and students. The Board, while not endorsing any religion, recognizes the rights of individuals to have the freedom to express their individual political, social, or religious views.*
