### School Description

“Amelia Earhart School inspires academic excellence, a passion for learning and respect for self and community.”

Amelia Earhart School proudly stands on Bay Farm Island in Alameda. The community boasts an elaborate system of bike and walking trails, many of which are adjacent to lagoons and the beautiful San Francisco Bay. Parks, ball fields, community centers and a public library add to the small-town atmosphere and closeness of our community. Located on the east side of the Bay, near Oakland International Airport, we are reminded of our namesake and the tradition of setting and achieving high standards. We experience both the challenges and advantages of a suburban school operating in an urban school district. Earhart is one of the largest elementary schools in Alameda. The school has grown from 300 students when opened in 1979 to nearly 660 students today. Our student body is ethnically diverse with a balance of Asian and Caucasian children representing 82% of our students. Eight other ethnic groups are represented in smaller numbers. 13% of our students receive free or reduced lunch. Sixteen percent of our students are English learners representing 19 different “first” languages. Our school boasts a well educated and highly trained staff that works collaboratively and utilizes best practices. 100% of our classroom teachers are fully credentialed and have earned CLAD certification. Our teachers hold themselves to rigorous standards and seek and share professional development opportunities to provide quality classroom instruction. All Earhart students are provided a balanced, comprehensive, standards-aligned curriculum and text books in all subject areas. The curriculum, tied to state and local standards, focuses on reading, writing and mathematics while emphasizing basic skills, problem solving, and critical and higher-order thinking skills. Teachers extend the curriculum to include science, social studies and the performing arts. Our Innovative Program, Math, Science, Technology, Engineering with the integration of Music supports and engages student in their learning. Grade level meetings and dedicated curriculum collaboration time maximize weekly early dismissal time and staff meeting time to discuss state standards, the standards-based report card, and to plan curriculum including: thematic units, differentiated instruction, and to design intervention strategies for struggling students. Supplementing teacher efforts, parent volunteers assist students with specific standards-based skills. This tutorial remediates skills and challenges high achievers. Teachers prepare specific skill folders for parent volunteers to use for individual children. Our all day K schedule allows small group instruction four days a week to meet each child’s academic and developmental needs. Earhart teachers firmly believe student achievement is directly related to the professional development in which they participate. The implementation and success of a standards-based curriculum requires a variety of research-based teaching methods. Ongoing teacher collaboration and the examination of student work is practiced by every teacher. Professional development, identified by staff, is aligned to the action plans in our SSP and incorporates presentations by experts with extensive collaboration, curriculum development, collegial discussions and coaching. Our school community is our biggest ally in supporting all students in meeting and exceeding academic standards. Our families support our school because they understand what we do and share our expectations for all children. The entire community is committed to all students reaching and sustaining proficiency in preparation for future success. Within our school, the students with special needs are: students not yet proficient, students with disabilities, EL and GATE. Our principal reads and comments on all student report cards and personally monitors the progress of children not meeting the standards. Our resource specialist and Bridge teacher visit classrooms and collaborate with teachers about strategies to support students. Through the efforts of our entire community, 87% of our children exceed grade level standards. Teachers set the expectation for student achievement, plan and deliver instruction that engages students and utilize volunteers to achieve this level of success.

Earhart is a school where teachers and families want to be. Our staff, along with the generous contributions and strength of our PTA, distinguishes Earhart. The success of all students is the goal of the Earhart community, and the extent to which our staff, parents, community members, and students strive to achieve that success is inspiring. Enhancing our traditional program with extended learning opportunities in science and the arts is a commitment of our staff and PTA. Our curricular and enrichment programs provide a strong academic foundation, as well as learning opportunities that promote social and emotional development. The PTA partners with our principal and staff to provide enrichment activities that are integral to the development of our children as lifelong learners. The spirit of volunteerism that our parents, extended family and community members embrace defines our school culture and enhances our commitment to excellence. Daily, our extensive team of volunteers, many of whom are senior citizens, tutor children in reading and math, provide support learning in the classroom and reinforce social skills in the lunchroom and on the playground. Our after-school enrichment program, organized by parents, offers courses that address the needs of the whole child, while gently focusing on academics. As a community, we support our children through funding for science materials, technology and music instruments and performance enhancements. These combined efforts achieve our mission to provide educational excellence and a positive, safe learning environment for all students. It is the shared belief of the Earhart community that a lifelong love of learning is the best legacy a school can give its students. During Amelia Earhart's lifetime, she faced the risk of flying with incredible courage. Our children are empowered to use their courage to soar to excellence each day.

### About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	84	N/A	66	N/A	50	N/A
Math	87	N/A	58	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parents and the community play a very important role at Amelia Earhart School. Parent volunteers work daily in the classrooms, in science lab, as Art Docents, with Motor Fitness and at lunch. Classroom volunteer opportunities are organized by the classroom teacher. Many school wide volunteer jobs are part of our partnership with our PTA. The PTA supports many special programs at Earhart that include : Art Docent, Kindergarten music, classroom studytrips and assemblies, Spell-a-Thon, Teacher appreciation, classroom wish lists and any type of need that arises.

For more information, please contact the school office at (510) 748-4003.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan (School Year 2020-2021)

The school safety team meets regularly to discuss safety issues and to take steps to be proactive in preventing various types of school-related safety issues. Staff receives yearly training on safety procedures for different situations. Our children have learned about specific safety procedures and practice the procedures in monthly drills. Our parent community in cooperation with the Red Cross has provided training in CPR, First Aid and personal preparedness.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.3	1.0	2.9	2.6	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.3	1.3	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

#### Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio

## Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	6	4

Teachers receive extensive professional learning opportunities each year to improve their teaching skills and to extend their knowledge of the subjects they teach. The focus continues to be the implementation of the Common Core State Standards and NGSS in science as well as strategies and structures to support all students in meeting these new standards. Common Core was selected as it is a major shift in educational pedagogy that impacts all instruction. Our district has taken the lead with this professional learning and continues to offer workshops for interested staff. This year, to continue to support Tier 1 instruction and the use of our adopted curriculum: Collaborative Classroom ELA program, and the Eureka math program, Teachers have been offered a variety of professional learning opportunities including group workshops, coaching and Lesson Study. Teacher leaders further support teachers at the site with new instructional strategies. Professional learning in science at Earhart is an integral part of our Innovative program and is accomplished with monthly collaborative learning and planning sessions. At the site, all formal Professional Learning is done in staff meeting time, science collaboration and during the two district provided collaboration afternoons.

### Types of Services Funded

At Amelia Earhart School our goal is to support each child in meeting their potential. Extra student support is available in our special education Learning Lab for students with and IEP. Students with moderate to severe autism are served in a special day class with integration into general education classrooms. Students in Kindergarten and first grade receive additional support on an individual need basis in small group instruction provided by a credentialed teacher. Second through fifth grade students receive targeted instruction three times a week in small groups while other students go to PTA supported Book Club. Our students also benefit from our science program with a hands on lab each week and the commitment of the classroom teachers to teach science daily in every classroom. Our EL students receive designated and integrated ELD based on their language needs.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### FY 2018-19 Expenditures Per Pupil and School Site Teacher Salaries
