School Description

The Island High motto is Success by Choice. We believe it. We hope you do too. By coming to Island students have made a choice to stay in school, catch up on credits, and graduate. One of the big differences between Island High and other schools is that we give students a lot of choices about how to achieve their diploma. Students then have to make some big choices about what their goals are and how hard they want to work to accomplish them. Then, every day, students make small choices that move them in the direction of their goals. To do well at Island, there are three areas in which students need to succeed: academics, attendance, and attitude. Every student's career at Island begins with making plans to master these areas. Our mission statement is that "Every student is a graduate and on a career path." During advisory, students work with their advisers to develop their plan for life after high school. Every senior is also enrolled in our Life After High School class, and where they work on college and career readiness

About Our School

Island High School is a continuation school focused on helping students overcome their barriers and find success at school. We focus on using strategies like Positive Behavior Intervention and Supports (PBIS) and Multi-Tiered Systems of Support (MTSS) to help students feel comfortable and reengage with their learning. Our goal is to create a space where a student owns their own learning and feels safe and supported through a wide variety of means to find success. We know that every student can be successful, and we work every day together with students and their teams to help them find success.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	24	N/A	66	N/A	50	N/A
Math	6	N/A	58	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

All incoming Island families attend a new family orientation to learn how the school functions and have input into their student's individual graduation plan. At the end of each six week grading period, all families are invited to report card night, where they can pick up their student's report card and meet with teachers and the principal. Island families are welcome to join the School Site Council which meets every six weeks to give input and support to school programs and activities. Parents interested in becoming involved can email Tracy Corbally at tcorbally@alamedanunified.org

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

All students are treated with warmth and respect. We explicitly teach skills for avoiding and solving school-based problems. In addition, our principal, student support provider and other staff collaborate to monitor the school campus for 30 minutes before classes begin and for at least 30 minutes after dismissal. In non-COVID times, all visitors must sign in at the office and a police officer assigned to Island High and the surrounding schools makes regular visits to the school. Staff and students regularly participate in safety training drills like fire drills and lockdown drills, and all staff are trained in the use of Share911, a web based emergency communication and notification system.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	15.7	16.5	2.9	2.6	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	3.8	1.3	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio
Academic Counselor*	84

*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Types of Services Funded

All Alameda Unified School District (AUSD) schools are centrally funded for core services including general education, special education, and English Language Development and other English Learner services. Additionally, sites receive discretionary funding in the form of Local Control Funding Formula (LCFF) Base funding to serve ALL students and LCFF Supplemental funding to serve unduplicated students. Unduplicated students include English Learners and students who are socio-economically disadvantaged. Sites utilize their discretionary funding in a range of ways and detail their specific activities and services in their School Plan for Student Achievement (SPSA). AUSD's SPSAs can be found at the following link:

<https://alameda.novusagenda.com/agendapublic/CoverSheet.aspx?ItemID=7109&MeetingID=362>

Services funded centrally via LCFF Supplemental Funds include components of the ELD program (including ELD/Literacy coaches), restoration of afterschool programming to schools with high unduplicated percentages, components of the Multi-tiered System of Supports (MTSS) program, and innovative program funds for schools with high unduplicated populations. Schools identified as Title 1 receive additional funding for Professional Development and Parent Involvement. Schools in Program Improvement Status also receive Alternative Supports funding for additional academic intervention.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
