**Thursday
May 26, 2022**

**Saint John's Catholic Preparatory School
Buckeystown, Maryland**

WELCOME FROM THE HEAD OF SCHOOL

On behalf of our Board of Trustees and Faculty, it is my pleasure to welcome you to the Saint John's Catholic Preparatory School's 2022 Commencement Exercises.

Today we come together to graduate the 189th senior class as they are launched into the next chapter of their lives. It is our mission at Saint John's to prepare our students to be leaders with good hearts and discerning spirits as they pursue truth, academic excellence, and service to humanity. I am confident that our graduates will move on to be leaders for our Church and for our great nation.

The COVID-19 pandemic brought many unexpected and unfortunate interruptions and challenges to our graduates over their high school years. The Class of 2022, however, demonstrated great resilience and perseverance through it all. They are stronger because of it. May they always remember to cherish the moment and never take for granted the smaller things in life.

To the parents and guardians of the Class of 2022 – thank you for entrusting your children to us. While the graduates are our focus today, this commencement ceremony is also a celebration of your efforts and success in raising these wonderful young men and women. Thank you for the time, talent, and treasure you have shared with Saint John's over the years. I have enjoyed our partnership, and I hope you can always look back at your family's time at Saint John's with positive thoughts and memories.

We join together to wish our graduates much success. We are proud of their accomplishments and even more proud to have been a part of their lives. We will keep our graduates in our prayers and hope they return to Saint John's often.

May God bless the Class of 2022.
