About KMS

FEES

Vocational classes may assess a fee for special projects and activities. Activity tickets for high school athletes can be purchased in the KMS office. There will be a charge to replace a lost or stolen activity card. P.E.

- Uniforms: Set: \$15 Purchased Individually: Shorts: \$10, Shirt: \$5 Recycled: \$5
- Art: \$5
- Culinary Art/Hospitality: \$10
- FACS: \$5 Sewing fee by project price
- Woods / Creative Construction: \$10
- Design and Modeling: \$5
- Student Planner: \$4

LUNCH AND BREAKFAST FEES

- Breakfast cost-Students: \$1.75
- Lunch cost-Students: \$3.00
- A la Carte items available

Applications for free/reduced lunch can be found in the main office. School District #5 uses a computerized cafeteria accounting system. Depositing money into student meal accounts should be done in the morning at the cafeteria each day. Depositing in the morning helps keep our lunch line moving in a timely manner allowing our students to have plenty of time to eat. As per district policy, charging meals is not allowed.

www.mymealtime.com can also be used for free and reduced lunch application, to view student accounts or deposit money into student accounts.

HOME BASE

Each student will participate in our KMS Home Base. Home Base consists of a small community of students who will meet on a daily basis with a KMS staff member. This environment will allow the students to develop a trusting relationship among students and adults, promoting a positive climate and allowing students to have a greater sense of belonging at KMS.

Academic issues along with career information, developing student self-confidence and leadership, are a few of the topics that will be discussed during Home Base

OPPORTUNITIES FOR PARENTS

Frequent and open communication with parents is an important goal at KMS. In addition to those contacts which are initiated by teachers and/or parents, several other opportunities for sharing are available.

1. Newsletters - Periodic newsletters containing general information about school events, activities and other issues are sent home via email.
2. Back to School Night - Early in the school year a night is set aside for parents to follow a shortened version of their child's schedule. This evening provides an opportunity for parents to meet teachers and to get brief descriptions of each course.
3. Parent/Teacher Conferences - Scheduled once each year, these conferences are designed to enable parents to meet with their child's teachers in order to discuss progress.
4. Parent Gathering - Evening meetings are scheduled periodically and are open to any parent who would like to participate in an open exchange of ideas about programs and policies.

5. School Visits - Visits to the school and to specific classes are welcomed. Please make an appointment to see teachers, counselors, principals and other school specialists.
6. Extra-Curricular Events - Parent attendance at these events is strongly encouraged. Music, drama, athletics, etc., provide important opportunities for students to develop skills and confidence.

PERSONNEL RECORDS

Parents may request information regarding the professional qualifications and degrees of teachers and paraprofessionals who provide instruction to your son/daughter. Please submit your request for information in writing to the principal. The request should include your student's full name, your name, and your mailing address.

PROCESS FOR PARENT COMMUNICATION

We encourage you to bring issues and concerns to our attention whenever they arise. It is important that we work together for the benefit of your children. If a parent questions a teacher's judgment of a student's schoolwork or behavior they should:

1. Contact the teacher via phone or email regarding your concern.
2. Request a meeting with your child's teacher or team of teachers.
3. Ask for an appointment with the principal if you feel dissatisfied with the outcome of the meeting with the teacher.

STANDARDS BASED GRADING

The academic year is broken down into three trimester grading periods. Mid-term grade reports will be issued halfway through each trimester. Trimester grades will be issued at the end of each trimester. The following Standards Based Grade scale will apply to grades:

- 4 – AD - Advanced
- 3 – P - Proficient
- 2 – NP - Nearing Proficient
- 1 – N - Novice
- 0 – NE - No Evidence

STUDENT PROGRESS REPORTS

KMS offers student progress reports on-line. To access grades, you need your student username and ID number. You will have access to attendance information and current grades. The Power School link is located on the KMS home page under Quick Links.

TEAMING

KMS is organized by teaming in all three grade levels. Teaming consists of a core group of teachers sharing the same group of students. This allows for flexibility and variety in creating cross curricular instruction and provides a smaller learning environment within KMS.

TECHNOLOGY PARENTAL OPT OUT OF PARTICIPATION

Electronic information, services, and networks have become an essential part of the education process in our school. Instruction on using these resources along with instruction on the ethics and safety issues that accompany such resources is a part of our curriculum and our State education benchmarks. As a result, students will be using computers and our District-wide network to learn about electronic information access, services and networks. If, for some reason, a parent does not want their student using these resources, please deliver a written objection to the school to designate the student as a non-user of District electronic information, services, and network. All relevant staff will be notified.

WORK ETHIC

Our primary purpose for making the shift to Standards-Based Grading has been to have student's academic grades reflect what she/he knows based on the state and national standards. In order to effectively do that, we have separated out a student's "Work Ethic" grade. The Work Ethic grade reflects three key categories: timeliness, citizenship/teamwork, and a student's quality of work. Each of these categories is broken down into subcategories addressing their relationships and productivity. Work Ethic scores are based on the guidelines within our KMS Work Ethic rubric. While academic skill area scores are based on material/concepts being taught and learned at stages of development, Work Ethic scores are the grades students directly influence through hard work and appropriate behavior.

Student Information

ATTENDANCE POLICY

1. Parents should call the school on the morning of an absence with an explanation. If this call is not made, the attendance secretary will attempt to reach parents by phone. A student may be considered unexcused for day(s) missed if parental/guardian contact is not made with the school within two school days.
NOTE: If a student leaves school during the day and does not check out at the attendance office, it is considered an unexcused absence. Verification from a parent must be made in advance, not after the absence.
2. Students returning to school following an absence are expected to bring a written excuse signed and dated by a parent, if the parent has not yet been in contact with the school. The student remains unexcused until a parent contacts the school.
3. Attendance is based on a trimester system. If total of excused and unexcused absences exceeds more than 8 days per trimester the student will not be allowed to make up work for any further absences for that trimester. • Student's missing more than eight days per trimester will be required to submit medical documentation pertaining to those absences in order to receive make up work. • School sponsored absences and suspensions are not counted in the 8 absences. • Absences for death in the immediate family are not counted in the 8 absences. Immediate family is defined as father, mother, brother, sister or grandparents.
4. Work missed due to illness is to be made up on the following time frame: one calendar day makeup time for each excused day absence from class. Dates for long term assignments and preassigned tests may or may not be extended at the discretion of the teacher.
5. Work missed for school-sponsored activity will be made up on the following time frame: one calendar day make-up time for each excused day absent from class.
6. Students who take extended vacations run the risk of losing the opportunity for fulfill class assignments. These students could receive a lower grade due to the extended absence. Students can be required to make up work before or after the absences at the teacher's discretion. NOTE: For professional appointments, a student is to see the attendance office with a note before 8:00 a.m. on the morning of the scheduled appointment. At that time a pass will be issued for leaving the building later in the day.

BIKES

Students who ride bicycles to school are encouraged to use a bike lock. The school is not responsible for lost or stolen bikes. All bikes must be parked in the area provided for them.

CLASS ASSIGNMENTS / HOMEWORK

Missed assignments threaten student success. Students who complete classroom assignments/homework will earn good grades. Students whose nonproductive behavior interferes with teaching and learning will be referred to the Assistant Principal. Such students may be considered insubordinate resulting in academic suspension, Saturday School, and/or referral to the Superintendent for a deferred expulsion hearing.

CLOSED CAMPUS

Students are expected to remain in school from 8:00-3:00 unless they have permission from the attendance office to leave. Once students arrive at school they are to remain on campus. Disciplinary action will be taken for students who violate this policy. The parking lot is off limits during school hours. Students are not allowed to leave KMS for lunch unless a parent contacts the attendance office and excuses the absence prior to the lunch being missed.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) afford parents/guardians and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records.

They are:

1. The right to inspect and copy the student’s education record within a reasonable time of the day the District receives a request for access.
2. The right to request the amendment of the student’s education records that the parent(s)/guardian(s) or eligible student believes are inaccurate, misleading, irrelevant, or improper.
1. 3.The right to permit disclosure of personally identifiable information contained in the student’s education records, except to the extent that FERPA or state law authorizes disclosure without consent.
3. The right to a copy of any school student record proposed to be destroyed or deleted.
4. The right to prohibit the release of directory information concerning the parent’s/guardian’s child.
5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The rights contained in this section are denied to any person against whom an order of protection has been entered concerning a student.

GUIDANCE SERVICES

The guidance office at KMS provides a variety of services to students ranging from personal counseling to help with scheduling, course selection, and decision making. All counseling is confidential. The building’s counselors have a variety of resources to help students be successful. Appointments or drop-in visits are welcome.

GUIDELINES FOR STUDENT DRESS

Student clothing is a responsibility of the parent as well as the student. Appropriate dress is important. Ask yourself this question: *Are your child’s clothes well cared for and appropriate and tasteful for the school setting?*

Apply the following guidelines when dressing for school:

- Clean, good condition, stomach and chest covered.
- Undergarments are covered.
- Footwear is required for sanitation and safety.
- Skirts or shorts will be appropriate length for school.
- No offensive, profane, drug/alcohol related pictures or sayings on clothing.
- Headwear (including hoods) is to be removed upon entering the building.

Students deemed inappropriately dressed will be asked to call home or change into their gym uniform.

INSURANCE

Accident insurance can be purchased at any time during the school year. Enrollment envelopes will be sent home at the beginning of the school year and when a student enrolls during the year.

LOCKERS/BACKPACKS

Lockers are assigned by the Home Base advisor. Students may not change lockers without permission from their Home Base advisor. Lockers may be inspected anytime the need arises and are to be kept clean and organized.

Backpacks are used only for carrying schoolwork to and from school. All backpacks are to be kept in lockers and students will carry only notebooks and textbooks to classes. KMS encourages you to keep all valuables in locked lockers.

PRE-APPROVED ABSENCES

Students planning to be out for two or more school days should bring a signed note of explanation from a parent at least TWO DAYS, more if possible, before the planned absence. An assignment sheet will then be issued for presentation to each teacher. Make-up work should be completed ahead of time when possible.

SELLING BY STUDENTS

Students are not to sell items at school for profit unless permission is granted by the principal.

KPS ACCEPTABLE USE POLICY

A complete copy of this policy can be found at <https://app.eduportal.com/publicfolders/602153/list/60621>

KPS strives to maintain an environment that promotes ethical and responsible conduct in all online network and Internet activities by staff and students. *KPS has the following rights and obligations:*

- To remove a user account on the network.
- To monitor the use of online activities.

User Responsibilities

- Use of the electronic media provided by KPS is a privilege. This resource is offered to staff, students, and other patrons at no cost. *
- KPS is not responsible for additional data charges the user may incur if these terms are not accepted

Acceptable Use

- All communications and information accessible via the KPS data network should be assumed to be KPS property.
- All use of the Internet must be in support of educational and research objectives consistent with the mission and objectives of KPS.
- Network accounts are to be used only by the authorized owner of the account for the authorized purpose. This means do not share your username and password with anyone.

Unacceptable Use of KPS Devices and Google Accounts

- Use of the network for any unlawful purpose is prohibited.
- Use of Social media, online communications, and cyber-bullying are prohibited on the network.
- Giving out personal information about another person, including home address and phone number, is strictly prohibited.
- Users shall not intentionally seek information on, obtain copies of, or modify files, other data, or passwords belonging to other users, or misrepresent other users on the network.
- Hardware and/or software shall not be destroyed, modified, or abused in any way. Ex. keyboards, Chromebooks, settings
- The unauthorized installation of any software, including downloads, add-ons, and extensions unless specifically authorized by a teacher for instructional purposes.
- Playing games is prohibited unless specifically authorized by a teacher for instructional purposes.

Disregard of this policy will result in disciplinary action, which may include the loss of access to technologies; referral to school administrators; if applicable, legal prosecution; and payment for damages.

SCHOOL GOOGLE ACCOUNTS

Your student will be given a SD5 Google account. If they are coming from a SD5 elementary school, they may already be familiar with the use of Google and Google Classroom. This account enables students to access school assignments anywhere they use a computer with Internet. Students need to keep their account information private and not share passwords with friends. Google for Education is fully committed to the security and privacy of data and protects users with the highest industry standards. Google for Education complies with the Family Educational Rights and Privacy Act (FERPA) and has also signed the Student Privacy Pledge.

STUDENT CLUBS

Student clubs will be formed from student interest. Meetings will be read in the morning announcements and posted on our website.

STUDENT RECOGNITION

KMS values the contributions of individual students and organizes a number of activities to recognize those who demonstrate responsibility, maturity and a conscientious approach to student life. Among the more visible recognition efforts are:

- Academics - Special programs and events are planned to honor those with high academic achievement. These programs are designed and implemented by the teams.
- Report Cards - Teacher comments on trimester report cards provide opportunities for teachers to recognize positive student behavior and progress.
- Daily Bulletins - Bulletins are read to students each day during Home Base and information is shared about student achievement in and out of school.

STUDENT RIGHTS AND RESPONSIBILITIES

KMS students have the right to learn in a safe environment free from interruptions, disruptions, or distraction, whether inside the classroom or from the outside. Behavior which disrupts the normal functions of classes is an infringement on the rights of others and contrary to school policy

TEXTBOOKS

Students will be supplied with books at the opening of school. No deposit is required but students are responsible for keeping the books clean and neat and returning them in the same condition as received. The value of each book is determined by the same condition when issued. Fines will be assessed according to loss or damage. A \$2.00 processing fee will be charged to all students for any refunded book fine upon receipt of book. Any fines not paid will be forwarded to the high school the student will attend. Fines at the high schools must be paid before a diploma is issued.

TRANSFER OR WITHDRAWAL FROM KMS

A student transferring or withdrawing from KMS will observe the following procedures:

1. A parent must come into school to withdraw a student from KMS.
2. Books must be returned, and outstanding fees must be paid prior to withdrawal.
3. A student is not officially withdrawn until a request of records from the student's next school is received.
4. For students transferring to Home School, you must register with the Flathead County Superintendent's Office prior to withdrawing from KMS.
5. Students who have withdrawn may not be on campus without permission from Administration.

VALUABLES

Do not bring items of value to school, particularly unnecessary amounts of money. Valuables should be left with the office secretary to place in the safe and may be reclaimed at the end of the day. Protection of valuables is a special problem in GYM CLASSES. Students are asked to give valuables to their PE teacher for safekeeping if such items have not already been turned in to the office. The best policy is to leave valuables at home. Coats and other personal belongings should be marked with suitable identification as it is difficult to recover missing items that do not have distinguishing features. Students should mark coats and all personal belonging brought to school. KMS assumes no responsibility for lost or stolen items and will not be responsible to solve crimes.

Student Conduct

FEDERAL LAWS

We expect all KMS students and staff to support and comply with federal laws. The following three regulations have special application to our school setting:

1. Title VI of the Civil Rights Act of 1964 (revised 7/1/97) “No person in the United States shall, on the grounds of race, color or national origin, be excluded from, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.”
2. Title IX of the Education Amendments of 1972 (revised 7/1/97) “No person...shall, on the basis of sex, be excluded from participation, in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.” This means no student shall, on the basis of sex, be denied equal access to programs, activities, services, or benefits or be limited in the exercise of any right, privilege, advantage, or denied equal access to our educational and extracurricular programs and activities.”
3. Section 504 of the Rehabilitation Act of 1973 (revised 7/1/97) “No otherwise qualified handicapped individual...shall, solely by reason of handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.”

STATE LAWS

We expect all KMS students and staff to support and comply with state laws. The following two regulations have special application to our school setting:

1. State Constitution Article X “It is the goal of the people to establish a system of education which will develop the full potential of each person. Equality of educational opportunity is guaranteed to each person of the state...”
2. Statutes (MCA) Title 49 Human Rights “The right to be free from discrimination because of race, creed, sex, religion, color, physical or mental handicap, age or national origin is recognized as and declared to be a civil right...”

For questions regarding these policies, contact the district Title IX Coordinator:

Tracy Scott
Director of Human Resources
406-751-3444
scott@sd5.k12.mt.us

BULLYING/HARASSMENT

KMS staff is trained under the Montana Behavior Initiative to provide a safe, positive school climate for our students. Posters in bright orange and green are displayed in classrooms and common areas, displaying appropriate, expected behaviors and leveled consequences.

Our guidelines for success are:
BE ... SAFE * RESPECTFUL * RESPONSIBLE

The purpose of this policy is to ensure a positive and productive learning and working environment. Bullying, harassment, intimidation, or hazing by students is strictly prohibited and shall not be tolerated. Bullying is the unprovoked, aggressive and repeated use of power or influence to intentionally hurt or harm another person physically or emotionally.

HARASSMENT

Harassment is verbal, written, graphic or physical conduct directed toward an individual. This action is sufficiently severe and persistent so as to cause that individual to not participate in or benefit from the school's programs, activities and educational offerings. A hostile environment may be created by behaviors such as: intimidation and implied or obvious threats of physical violence; physical acts of aggression or assault upon another or damage to another's property; depending on circumstances and context demeaning jokes, slurs, nicknames, name-calling or other derogatory remarks.

If an incident is reported to an adult at home, please relay the information to someone at school as well. Parents and school employees need to work together whenever students feel bullied.

SEXUAL HARASSMENT

School District Five prohibits sexual harassment of all students and staff. Students who believe they are being subjected to sexual harassment by an employee or student of the district are encouraged to report the matter promptly as provided below.

1. Sexual harassment means any unsolicited comments, gestures, or physical contact of a sexual nature that has the purpose or effect of interfering with an individual's work performance or creating an intimidating, hostile or offensive learning environment. This can include:
 - Sexually suggestive looks or gestures. • Sexual jokes, pictures or teasing.
 - Pressure for dates or sex.
 - Sexually demeaning comments.
 - Deliberate touching, cornering or pinching.
 - Threats, demands or suggestions that favors will be granted in exchange for sexual advances.
 - Spreading rumors.
2. Students who believe they have been the subject of sexual harassment must bring the alleged act to a district employee, a building principal, or to the Title IX compliance officer who is the superintendent of schools.
3. The investigation process will include notification of the accused and parents of the accused of the complaint and appropriate due process procedures for all concerned.
4. The Superintendent in consultation with the investigation team shall make final determination of the proposed action to be taken based upon the validity of the complaint. The report and decision shall remain confidential.
5. Substantiated violations of this policy may result in appropriate disciplinary action, including expulsion for a student, dismissal for an employee.

The complete text of this Board Policy is available in the office.

AFTER SCHOOL DETENTION

Students may be assigned after school detention (3:05-4:00 P.M.) for inappropriate behavior and for attendance violations, including tardies, from the administration. Students may also be required to spend time after school with individual teachers for missing assignments and/or homework. Detention students will be given 24 hours' notice to inform parents and make arrangements for transportation. Further missed detention will result in assigned Saturday School and/or suspension. Bus students are not excused from detention.

BEHAVIOR AT SCHOOL AND ON SCHOOL GROUNDS

Aggressive or reckless behavior which jeopardizes the health, safety or welfare of students or staff will result in disciplinary action. Students are to act appropriately while at school. Once school has ended, students are not to loiter in the school or outside and are to leave the school grounds as soon as possible. Anyone found promoting, perpetuating or instigating a fight between other students will be disciplined and can be suspended. The

appropriate conduct and orderly movement of our large student population within the hallways is important. Students are cautioned about the following:

- Congregating in groups so that others have difficulty passing.
- Running in the halls or on the stairs.
- Sliding down banisters.
- Sitting on the floor.
- Students may not be in hallways without a pass during class.
- Public displays of affection. Students are to keep their hands to themselves and not violate the body space of others, willingly or unwillingly.
- Inappropriate language/profanity.
- Students are not to wrestle, be involved in rough, boisterous play or fighting while outside on campus or within the school.

CELL PHONES

Students at Kalispell Middle School are expected to be respectful, responsible and safe with personal electronic devices. Based on parent, student and staff feedback and a focus on learning, all personal electronic devices (cell phones, wireless headphones, iPads, Kindles, Apple watches, etc....) must remain off and in a student's locker between the hours of 8:00 am and 3:00 pm. Before and after school, student possession and use of such devices is a privilege. At no time will any student operate a cell phone or other device with video capability in a locker room, bathroom or other locations where personal privacy might be violated or compromised.

Consequences for unacceptable use or having phone out between 8:00 am and 3:00 pm could include, but are not limited to the following:

- Device shall be confiscated (first time/student picks up after school; second and all subsequent times/parent can pick up at his/her convenience)
- Device may be subject to search
- Device may be turned over to law enforcement
- Parents may be informed

Students are encouraged to leave personal electronic devices at home, but if they do come to school they are to be secured and off in a student's locker during the academic school day. No staff shall be held responsible for lost, stolen or confiscated electronic devices and the KMS administration will not take time to track down missing phones.

CHEATING

Students guilty of cheating, including plagiarism, will receive a zero on that assignment. A student guilty of cheating a second time will receive a zero on that assignment and be considered for administrative discipline consequences. Check course description for individual class policies.

FALSE REPORTS

Anyone found guilty of making a false report to the school concerning any type of catastrophe will be charged with intimidation by the police department and will face severe discipline charges from the school. Making false 911 or emergency calls from a school phone, pulling a fire alarm or discharging an extinguisher is not excusable and suspension discipline and contacting authorities can be the consequences.

GANGS AND GANG ACTIVITY

The Board is committed to ensuring a safe and orderly environment, where learning and teaching may occur void of physical or psychological disruptions, unlawful acts, or violations of school regulations. Gang activities

create an atmosphere of intimidation in the entire school community. Both the immediate consequences of gang activity and the secondary effects are disruptive and obstructive to the process of education and school activities. Groups of individuals which meet the definition of gangs, defined below, shall be restricted from school grounds or school activities.

A gang is defined as any group of two (2) or more persons, whether formal or informal, who associate together to advocate, conspire, or commit one or more criminal acts; or acts which threaten the safety or well-being of property or persons, including, but not limited to, harassment and intimidation. Violations of this policy shall result in disciplinary action, up to and including suspension, expulsion, and/or notification of police. Students on school property or at a school-sponsored activity shall not:

- Wear, possess, use, distribute, or sell any clothing, jewelry, emblem, badge, symbol, sign, or other items which are evidence of membership in or affiliation with any gang and/or representative of any gang;
- Engage in any act, whether verbal or nonverbal, including gestures or handshakes, showing membership in or affiliation with any gang and/or that is representative of any gang;
- Engage in any act furthering the interest of any gang or gang activity, including, but not limited to:
 - i. Soliciting membership in or affiliation with any gang.
 - ii. Soliciting any person to pay for protection or threatening another person, explicitly or implicitly, with violence or with any other illegal or prohibited act.
 - iii. Painting, writing, or otherwise inscribing gang-related graffiti, messages, symbols, or signs on school property.
 - iv. Engaging in violence, extortion, or any other illegal act or other violation of school property.

ITEMS PROHIBITED IN SCHOOL

Many problems arise because students bring articles and playthings which are hazardous or distracting to other students. No pocketknives, stink bombs, squirt guns, sling shots, fireworks, peashooters or cigarette lighters will be permitted in school. If a student is found carrying or using any such item, it will be impounded and released only to the parent. The use of skateboards on KMS property is prohibited. Electronic devices (i.e. Gameboys, personal music players) can only be used before and after school. **KMS assumes no responsibility for lost or stolen items and will not be responsible to solve crimes.**

Alcohol, Drugs, drug paraphernalia, tobacco, tobacco paraphernalia, **vapor cigarettes and vapor cigarettes paraphernalia** are not permitted at school. If a student is found carrying or using any such item, the item will be confiscated, the student will be suspended, and appropriate law enforcement agency notified.

MULTIPLE OFFENSES

Some students fail to respond to the consequences which follow inappropriate actions. These students create a negative environment for learning which affects others. To be fair to the large majority and to maintain a productive atmosphere which facilitates learning, multiple offenders will be subject to the following: Student may be referred to the office for cumulative minor offenses. The teacher will log minor offenses and attempt to correct this behavior in every manner possible, including seeking assistance from the student's parents. If behavior does not improve, a cumulative report will be filed with the office. Cumulative minor infractions may result in a suspension and/or Saturday School. The appropriate Law Enforcement agency will be contacted when administrators believe a law has been broken.

POLICE INVOLVEMENT

School officials are not required to initiate or complete due process procedures prior to notifying police authorities. If police authorities are notified, parents will be contacted by telephone or certified letter. Any action taken by police authorities will be in addition to action taken by the school.

RESPECT FOR SCHOOL PROPERTY

Vandalism is not tolerated. Students who damage or attempt to damage property will be required to reimburse the school and are subject to discipline. Vandalism includes, but is not limited to, graffiti being placed on walls, lockers or desks or defacement of school property. If damage cannot be cleaned by the student, reimbursement by the student may be required.

SATURDAY SCHOOL

Saturday School may be assigned to a student as a consequence for rule violations. Saturday School begins promptly at 8:00 a.m. and ends at 12 noon. Late arrivals will not be admitted. Failure to attend or complete an assigned Saturday School will result in a two-day out-of-school suspension.

SEARCHES AND SEIZURE

The search of a student, by authorized school authorities, is reasonable if it is both:

- justified at its inception
- reasonably related in scope to the circumstances which justified the interference in the first place

School authorities are authorized to utilize any reasonable means of conducting searches, including but not limited to the following: a “pat down” of the exterior of the student’s clothes; a search of the student’s clothing including pockets; a search of any container or object used by, belonging to or otherwise in the possession or control of a student; and/or devices or tools such as breath test instruments, saliva test strips, etc.

TARDY POLICY

You need to be on time for class! Tardiness is considered a discipline issue that disrupts the educational environment being established in the classroom. Those students reporting to school after 8:00 am must report to the office before going to class. Chronic tardiness could result in detention, Saturday school, suspension, classroom removal for the period tardy and/or permanent classroom removal.

TERMS

In-School - Generally students who are suspended will be expected to go home. Under certain circumstances that may not be possible, and students may be placed in a confined area for all or a portion of the school day.

Out-of-School - The student is not allowed to attend class or attend or participate in school functions. Parents may be required to meet with a building administrator before the student is readmitted.

Deferred Expulsion - A meeting where a decision is made on readmitting the student or having an expulsion hearing with the Board of Trustees. If the student is readmitted, he/she is placed on a Deferred Expulsion Contract. Should this contract be broken, an expulsion hearing is scheduled.

Expulsion - Action taken by the Board upon administration recommendation. Extenuating circumstances may lead the Board to override administrative recommendation by either dismissing the case, further suspending or deferring an expulsion. In most cases with the verification of evidence, an expulsion may be expected.

Disciplinary - In lieu of an expulsion hearing with the Board of Trustees, the superintendent may offer a student the option of a disciplinary withdrawal from KMS.

THREATS BY STUDENTS

Any threat made by a student directed at individuals of the school including students, faculty, administration and all other individuals, will be taken seriously. Threats will be investigated and if found accurate, the individual making the threat can be disciplined with suspension and/or expulsion. Proper authorities will be contacted and consulted when investigating anything of a threatening nature.

WEAPONS POLICY

Students who knowingly possess, handle, transmit or use any gun, ammunition, knife, pocket knife or other objects that reasonably could be considered a weapon or dangerous instrument, in any school building, or on any school premises, or on any school bus, or at any school related activity, event or function will be suspended from school and will be ordered to appear before the trustees at an expulsion hearing. A student who has knowledge of another student possessing any weapon or dangerous instrument on the grounds of KMS and does not report that information to the KMS office or teacher, can be considered an accomplice and subject to suspension or expulsion.

KALISPELL PUBLIC SCHOOLS ANNUAL NOTICE REGARDING ASBESTOS HAZARD EMERGENCY RESPONSE ACT

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA), which required that public schools be inspected for purposes of identifying any asbestos-containing building materials (ACBM). The Kalispell School District conducted its initial AHERA inspection of all of its facilities in the late 1980's as required by AHERA, and all known and suspected ACBM in those facilities was located, sampled (or assumed) and rated according to its condition and potential hazard. In accordance with AHERA, the Kalispell School District has since conducted a re-inspection of its facilities every three years to determine whether the condition of that ACBM has changed and to provide information on how best to manage that ACBM (or any newly-discovered ACBM) through maintenance or removal. In addition to its inspection, re-inspection and periodic surveillance requirements, AHERA also requires that school districts develop and maintain a management plan for any known or suspected ACBM. A copy of the Kalispell School District's Management Plan is available for review and inspection by appointment at either our Central Administration Office located at 233 First Avenue East or any of our school facilities.

Athletics

ATHLETICS AT KMS We encourage all students at KMS to be active and participate in the variety of activities that are offered. Our primary goals and our underlying philosophy is that we are concerned with skill development, participation, and connecting our students to our school.

ACTIVITIES OFFERED

- Football
- Girls Volleyball
- Boys/Girls Basketball
- Boys Wrestling Track
- Cross Country
- Girls Tennis

ATHLETICS / ACTIVITIES — DRUG / ALCOHOL POLICY

A student may not:

- Use, or have in possession drugs of any kind, or be present for any length of time at a gathering or location where the use or the possession of drugs is illegally taking place during an activity season. Alcohol is a drug.
- Use, or have in possession, tobacco and / or vapor cigarettes in any form at any time during an activity season.

The penalty for any of the above is immediate dismissal from the activity for that season. The offending student may not participate in another activity during that season.

ELIGIBILITY FOR ATHLETICS

All students are eligible for activities with the beginning of each school year. The student work ethic grade will be used to determine eligibility throughout the academic year. Student work ethic grades will be checked weekly during each athletic season and the following policy will apply:

- Students with a work ethic grade of 0 or 1 in ANY class, will be deemed ineligible for athletic contests for one calendar week.
- Students will be allowed to attend and participate in practice but will not travel to away contests, or compete in any games, matches, or meets during the calendar week.
- Grades will again be checked at the conclusion of the week, and if the student's work ethic grades are satisfactory, they will be restored to good standing and allowed to participate in, and travel to athletic contests.
- If grades are found to be unsatisfactory, the student will again be ineligible for participation in athletic contests for another calendar week, etc.

PHYSICAL FORMS

All KMS students wishing to try out or participate in athletic activities must have a physical prior to the beginning of the activity season and by the time of the first practice session. All physicals should be given after May 1st and valid for the school year and so noted by the physician to cover the entire school year. An example would be July 10, 2020 to July 1, 2021. Participants also need to have a completed Parent Release Form. Forms can be downloaded from our school website.

Student Health

ILLNESS

If you become ill during the school day, ask your teacher for a pass to the nurse's office. Students should not call their parents from the classroom. The attendance secretary or nurse will call your parents if it is necessary for you to go home. Students who stay in the bathroom instead of reporting to class or to the nurse will receive an unexcused absence and be assigned detention and/or Saturday School.

INJURIES

First aid supplies are located in the nurse's office. Please report any injury to the nurse's office immediately.

MEDICATIONS GIVEN AT SCHOOL

Medications are rarely necessary for pupils during the school day. They are justified in some chronic health conditions or short-term acute health conditions. No prescription medication will be administered by the school nurse or her designee until communication with a parent has taken place and physician's orders received. The procedure for administering medication at school is:

- Written orders from student's physician must be on file at school.
- The medication must be brought to the school nurse in its original container labeled by a parent or guardian as follows:
 - i. Student's name
 - ii. Dosage
 - iii. Name of drug
 - iv. Doctor's name
 - v. Time of day medication is to be given
- Misuse of prescription drugs may result in suspension or expulsion.
- Students are expected to provide their own nonprescription medication (Ibuprofen, Tylenol, cold medicine, cough drops, etc.) for routine aches and pains and to take any medication only with parental approval. They are allowed to keep these medications in their lockers.
- No student is allowed to give nonprescription medications (Tylenol, Ibuprofen, No-Doze, etc.) to any other student on campus. Violations will result in suspension or possible expulsion both for those giving and receiving medication.

NURSE

Students at KMS have the benefit of emergency and health education services from a registered nurse. Our school nurse provides many services to the school including:

- Crisis intervention (such as first aid).
- Conducting appropriate screening (such as vision, hearing).
- Serving as a resource person for staff and students.

The nurse's office is located in the administrative office area. We encourage students and parents to contact the school nurse for assistance.

Student Safety

EMERGENCY DRILLS

We wish to be prepared for any and all emergencies at any time of the day.

INTRUDER DRILLS

KMS will practice intruder drills to simulate an intruder in the building requiring that the school be locked down. These drills will be practiced throughout the school year. **FIRE DRILLS** Fire drills at regular intervals are required by law and are important for safety reasons. It is very important that students respond promptly at the first signal and clear the building as rapidly as possible. Individual classroom teachers will provide instructions on exit routes.

EARTHQUAKE DRILLS

Earthquake drills at regular intervals are required by law and are important for safety reasons. Classroom teachers will instruct students on what to do in case of an earthquake.

FIRE ALARMS AND EMERGENCY EQUIPMENT

Tampering in any way with emergency equipment about the school is considered to be a serious violation of school regulations and will result in a recommendation for expulsion.

SCHOOL RESOURCE OFFICER

The School Resource Officer is an officer with the Kalispell Police Department. The SRO serves three roles with KMS: law enforcement officer, law-related counselor, and law-related education teacher. The SRO position was created to assist in the development of a safe and secure learning environment at KMS. The SRO is available to talk to students at any time they are in the building.

Student Resources

LIBRARY SERVICES

KMS welcomes you to the Library Media Center. Staff members are there to assist you in research or in choosing materials for recreational reading. The Center belongs to everyone. Please be respectful and thoughtful of others and make the library a pleasant place to read and study. The Library Media Center is open from 7:30 to 3:30.

BOOKS AND PERIODICALS

All circulating books may be checked out for a three-week loan period. Students returning books late will be fined 10 cents per book per school day. Students with overdue books or outstanding fines (over \$1.00) will not be allowed to check out additional materials. Current issues of magazines are on display and are non-circulating. Past issues of magazines may be checked out for three days. Students are encouraged to renew materials to avoid over-due charges.

LOST OR DAMAGED MATERIALS

Lost materials, or those damaged beyond reasonable wear, must be paid for at the purchase price plus a nonrefundable \$2 processing fee

LIBRARY COMPUTERS

The library has computers for student use. Students are only allowed to use library technology for school related assignments. Patron Access Catalog computers (PAC's) help students lookup district-wide materials for check-out. Inappropriate use of the telecommunication equipment at KMS will result in disciplinary action.

Bus Information

CANCELLATION POLICY

In order to eliminate confusion, the following will govern school attendance when a decision is made not to operate the buses (or a bus) when school is in session:

1. Students who rely on district transportation will be given an excused absence. This absence will not count in the attendance policies that restrict the number of absences.
2. Students who do not rely on district transportation whose parents decided that it is too unsafe to drive them or have them drive themselves to school will be handled in the same way. Written verification from a parent will be required in such instances. This absence will not count in the attendance policies that restrict the number of absences.
3. Every effort will be made by the district to make cancellation decisions no later than 6:00 a.m. Once made, the decision will be immediately announced over local radio stations.

PASSES

A registered bus student may have a guest student ride with them provided that the guest has a guest pass. The guest's parent must call the Transportation Office, 751-3404, before 10:00 a.m. on the day of the request. The parent must know the name of the registered bus student, the bus number and the school the pass will be sent to.

REGULATIONS

Passenger safety is our #1 priority. These regulations are necessary to achieve this goal. Parents and school administrators will be notified if a student violates bus rules. Disciplinary action may include an assigned seat or riding privileges may be revoked as decided by school administration and the Transportation Office.

1. Students are to arrive at their assigned bus stop 5 minutes prior to the departure time.
2. The driver is in full charge of the bus. Students will comply promptly with any request and will have no part in the operation of the bus.
3. At the discretion of the driver, seats may be assigned.
4. Unnecessary conversation with the driver is prohibited.
5. The bus is an extension of the classroom. Outside of ordinary conversation, classroom conduct is to be observed by students. Any pupil who is guilty of unbecoming conduct, fighting, or using inappropriate language or abusing or showing disrespect toward the driver or other pupils, forfeits the right to ride on the bus. Cell phones are to remain in the off position while riding the school bus.
6. Littering is prohibited (in the bus or out through windows).
7. Safety dictates that no portion of the body will be extended out the bus window.
8. Students will not get on or off or be out of their seats while the bus is in motion.
9. Any damage to the bus must be reported to the driver at once.
10. The possession or use of tobacco is prohibited. See Board Policy 3310.
11. Matches and cigarette lighters are not allowed on the bus.
12. Weapons of any kind will not be allowed on the bus. See Board Policy 3310.
13. Drugs and alcohol are prohibited. See Board Policy 3310.
14. Band instruments will be allowed as long as they go behind a seat or can be held on the student's lap. Instruments cannot displace a bus passenger. Skateboards and other hazardous equipment are not allowed on buses.
15. Students should wear warm clothing during cold weather.

If your child does not arrive at home on schedule, please: CALL THE SCHOOL OFFICE IMMEDIATELY. 751.3800 We will contact the Transportation Manager for bus information

KMS Library Media Center 2019-2020 WORKS CITED: MLA Format

- A list of works cited is arranged in alphabetical order by the first word of each entry with the exception of a, and the.
- Entries are double spaced evenly throughout the list. * The first line of each citation is not indented, but every other line under it is indented (hanging indentation).
- If you are handwriting your citation, you may underline titles instead of using italics.

PRINT SOURCE EXAMPLES

Book

Structure: Author or editor's Last name, First name. Title. Publishing Company, Copyright date.

Example: Haines, Aubrey L. The Yellowstone Story: A History of Our First National Park. University Press. 1977.

In-Text Citation: Author's last name and the page number(s) from which the quotation/paraphrase is taken must appear in the text. Author's name may appear either in the sentence itself or in parentheses following the quotation/paraphrase.

Examples: Human beings have been described by Kenneth Burke as "symbol-using animals" (3). Human beings have been described as "symbol-using animals" (Burke 3).

Book (Two Authors)

The first given name appears in last name, first name format; subsequent author names appear in first name last name format.

Example: Webber, Ann and Zimbardo, Philip. Psychology. New York: HarperCollins, 1994.

In-Text Citation: (First Author's Last name and second author's Last name page #s).

Example: (Webber and Zimbardo 137-147).

NON-PRINT SOURCE EXAMPLES
