Enrollment Attendance Policy

Parent Verification:

I verify that the information provided on the Lottery Enrollment Form is true and correct to the best of my knowledge and belief, and discloses any special education, health and/or behavior issues. In addition, I understand that if selected, the student and family agree to abide by the following BCCHS rules and guidelines:

Attendance:

1. BCCHS stands by the California Compulsory Law for attendance.
EC Section 48200: Each person between the ages of 6 and 18 years not exempted under provision of this chapter is subject to compulsory full-time education. Each parent, guardian, or other person having control or charge of such pupil shall send the pupil to the public full-time day school or continuation school or classes for the full-time designated as the length of the school day.
2. The school district *may* consider termination of the enrollment of a student at the end of a school year, if the student meets the definition of a **habitual truant**.
EC Section 48262: Any pupil is deemed an habitual truant who has been reported as a truant three or more times per school year, provided that no pupil shall be deemed an habitual truant unless an appropriate district officer or employee has made a conscientious effort to hold at least one conference with a parent or guardian of the pupil and the pupil himself.
Parent will be notified and school will provide intensive support for students who failed to improve after receiving statutory notifications of truancy. Parents must adhere to all meetings and conferences recommended by BCCHS. Refer to BCCHS Truancy Flow Map.
3. The school district *may* also consider termination of the enrollment of a student over 18 years of age if the student is absent without lawful excuse for one or more periods on 15 school days and has not lawfully withdrawn from school under California state statute.

By signing below, I understand that if my student does not comply with the District rules and guidelines as to attendance or behavior, their enrollment agreement may be denied or withdrawn immediately.
