Clothing for Recess and Outdoor Learning

Students do go outside year-round and in all types of weather. For this reason, it is very important that students have the appropriate dress for recess and outdoor learning time. Please ensure students have what is needed to participate fully in outdoor activities during the following seasons:

- Fall/Spring: sunscreen, rain jacket and rain boots as needed.
- Winter: Snow pants, waterproof gloves/mittens, hats, coat, boots, scarves

Please make certain all of your child's clothes are marked with his/her name, including gloves, boots, and shoes.

Dress-Down Days

Dress-down days are organized by the school or individual classroom teachers and often have a theme or charity donation associated with the event. Students and families will be informed of the dress down theme and what clothing will be permitted prior to the dress down date. No matter the theme of the dress down day, students should always follow these guidelines: no revealing clothing (eg: short shorts, crop shirts, overly tight clothing) no inappropriate sayings on T-shirts. Jeans can be worn and footwear should be sneakers.

Formal Dress Days

Formal dress clothes are required for special occasions and Closing Exercises. Formal dress clothes include a collared/button down shirt, tie, slacks or a suit, dress, skirt, jumper, or dressy pants and blouse with dress shoes. In addition, all students should bring tennis shoes to change into for gym and/or recess.

Additional Guidelines:

- Hats may not be worn in doors.
- Only stud earrings are permitted.
- In inclement weather, students may wear boots and change into tennis shoes at school.
- Please make certain all of your child's clothes are marked with his/her name.
