### Talk Sup Week 31 Review and Preview

April 19, 2021

Good morning Sayreville! I hope you had a relaxing weekend. Welcome to another edition of *Talk Sup Review and Preview*.

Over the weekend, we received notification that one individual from the high school and one from an athletic program at the high school have tested positive for COVID-19. After conducting contact tracing in accordance with Center for Disease Control (CDC) and New Jersey Department of Health (NJDOH) guidelines, multiple individuals from the athletic program were determined to be in “close contact” with the infected person and by this time should have been notified and directed to quarantine. For the most up to date information on the number of individuals who have tested positive or who have been determined to be in close contact with a person who has tested positive, please see the Student and Staff COVID-19 Dashboards, which are located on the School Safety and Security of our website and can be accessed by clicking [here](#).

As you know, on **Monday, May 3<sup>rd</sup>**, we will transition to **Phase 4** of our [Restart of School Plan](#), which is essentially **full school days of in-person instruction for five days per week**. Furthermore, please remember that parents will have until this **Friday, April 23<sup>rd</sup>** to request from their child’s **principal** for their child(ren) to transition from either full-time remote learning back to in-person instruction or vice versa. Hence, if parents want to switch their child(ren) from remote learning to in-person learning or vice versa, they will have until **April 23<sup>rd</sup>** to do so and will be **locked** into that or their child(ren)’s current learning environment until the **end** of the **2020-21 school year**.

This week, **all in-person learners in preschool through 12<sup>th</sup> grade**, will continue to attend school for in-person instruction following the early dismissal schedule in accordance with Phase 3 of our Restart of School Plan. Below please find the calendar for April and May.
