Talk Sup Week 33 Review and Preview April 27, 2020

Good morning Sayreville! I hope you had a nice and relaxing weekend, and that you and your entire family are healthy and safe. Welcome to another edition of *Talk Sup Review and Preview*. Please remember that **all our schools will be closed and under quarantine** for all students, staff, and parents this week and at least until **May 15, 2020**. However, **all** our students will continue with **virtual school/instruction** today and until our next school holiday, which will be **Memorial Day**.

As they have been since the beginning of the pandemic, our amazing group of Operation BStrongSayreville volunteers once again prepared and delivered over 3,000 meals, many devices, countless student work packets, and toilet paper, paper towels, and tissues for anyone who needed such last week. This week, we will once again be delivering breakfast/lunches on just Mondays and Wednesdays. Thus, we will be asking parents to order for two days at a

time for Monday and Tuesday, and three days at a time for Wednesday, Thursday, and Friday. For more information pertaining to the ordering and delivery of meals and supplies this week, see my **BStrongSayreville Off Day Update email**, which I sent to the community on Saturday evening. As per it, remember that we are also allowing community members to refill **one 12-ounce** container of hand sanitizer in the main vestibule of SWMHS from 8 am – 12 pm on Mondays and Wednesdays.

Thank You Essential Workers
By CG Students

Bomber Cheer Spirit

This past week our amazing staff and students were hard at work producing very impressive and inspiring videos. Check out the adorable tribute to our essential workers produced by Ms. Josiah's kindergarten students at the Truman School. Click **here** to see it. Speaking of tributes to essential workers, watch this **video** sent to me by Mrs. Torres, a parent of a student in our district. In addition, click **here** to enjoy this wonderful video from our Sayreville School Librarians in celebration of School Library Month. Please also take a look at the amazing **Bomber Cheer Spirit video** produced by our Bomber Cheer Squad and coaches.

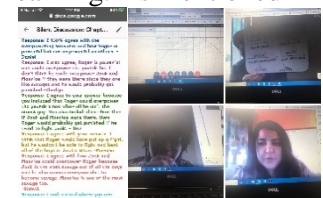

Likewise, you have to view this incredible **Sayreville Middle School Unified Sports video** produced by the unified coaches and advisor at SMS. Finally, please take the time to see the wonderful **First Fun Friday video** produced by Ms. Fellona, the school counselor at the Arleth School. Speaking of fun times at Arleth,

some very good friends of mine there sent me this very thoughtful and fitting **video**. ☺

This week our students and staff continued to impress us with online learning. As mentioned above, the staff and students at Arleth demonstrated their extraordinary school

spirit during Fun Friday. At Sayreville War Memorial High School, Ms. Wrightson's

ELA classes participated in Silent Discussions, which turned out to be more proof positive of the hard work our students and staff are demonstrating online at home. Likewise, the math teachers at SWMHS and their students were also very hard at work during virtual lessons. At SMS, Ms. Ciampa, Ms. David, Ms. Carnevale and Ms. Gordon, along with the paraprofessionals they work with, had a ton of fun sharing baby pictures with their students. Finally, throughout the district, and

particularly in Project Before, as well as at the Truman School and Samsel Upper Elementary School, our students and staff celebrated Earth Day.

This week our students, their parents, and our staff continued to impress us with their amazing accomplishments. Congratulations to the following students from the SWMHS HOSA-Future Health Professionals Club who placed 3rd in the Public Service Announcement category during the HOSA-Future Health Professionals virtual New Jersey State Leadership Conference this month: Michelle Lee, Karanveer Panesar, Zoha Shah. The following other teams also placed in the top five: HOSA Bowl – 5th Place-Aman Meda, Saad Mohammed, Furqan Syed, Kamil Szczech; Anti-

Vaping Campaign – 4th Place-Simran Patel, Iman Shahid. We would also like to commend and thank our incredibly generous community members and the amazing PTO at the Wilson Elementary School for raising \$3,500, through the sale of our “We will Overcome: Operation BStrongSayreville” T-shirts, for our courageous first responders from the Sayreville Police Department, Sayreville Fire Department, and the Sayreville Emergency and Morgan First Aid Squads. In addition, we commend and thank Mrs. Lorena Ruiz, owner of LorenaRealFood and parent of a student in Sayreville, for the very thoughtful and incredibly delicious treats she made for our BStrongSayreville volunteers. Likewise, we thank the wonderful and very thoughtful "2019-20 SMS First Year Teachers" for taking time from their very busy schedules to provide our BStrongSayreville volunteers with some needed coffee and tasty donuts. Finally, we thank our very generous and thoughtful community partners over at Ashland for donating to us the previously mentioned hand-sanitizer. Bomber Nation salutes and them and all our students, their parents and our staff for representing Sayreville in such an impeccable manner. They Rock!

If you or someone you know would like to **advertise** with us on our **website** and via **Bomber Blasts**, you should click [here](#) and submit an inquiry with *School Revenue Partners*. Naturally, we will continue to Bomber Blast activity information and community service announcements for our schools and the greater community at no cost.

Have a good day and week, and **please stay home**. May God bless you and your family and keep you healthy and safe.

Dr. Labbe
