Week 25 Talk Sup Review and Preview

February 25, 2019

Good morning Sayreville! I hope you had a relaxing weekend. Welcome to another edition of *Talk Sup Week Review and Preview*.

As always, I am having wonderful time working and learning with our students and staff at the Sayreville War Memorial High School (SWMHS). In fact, this week I visited Ms. Nappe's Pre-Calculus class to observe her students attempt to solve real life math problems, integrated with some African American history, in order to get out of virtual "Escape Rooms" designed by Ms. Nappe. Along with being the first time I have ever set foot in a Pre-Calculus class☺, I was very impressed by the inductive and deductive reasoning skills that the students combined with their knowledge of mathematics to escape from their virtual rooms. This week I also had a blast watching the students in Ms. Charmello's art class produce the first ever pieces of art using the high school's new 3D printer. Lastly, I was thrilled to learn how much fun our World History and Advanced Placement Art History students had when they visited the Metropolitan Museum of Arts in Manhattan last Thursday.

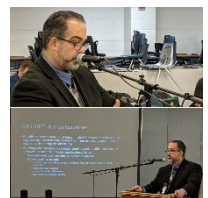

While I was unable to attend, on February 7th several SWMHS students participated in the Sayreville Human Relations Commission's Special Black History Celebration at Borough Hall. The highlight of the celebration was guest speaker Mildred Scott, Middlesex County Sherriff. If you are not familiar with the work of the Sayreville Human Relations Commission, they are a group of dedicated community members appointed by Mayor O'Brien and led by Chairperson Mindy Schifman, who are charged with the responsibility educating the residents of Sayreville about the diverse cultures, religions, and ethnic groups in Sayreville for the purpose of promoting an appreciation for those differences.

If you did not have a chance to attend the Board of Education (BOE) Business Meeting held on Tuesday, February 19th, here is what you missed. During the presentation portion of the meeting, the Board honored and celebrated the SWMHS Distributive Education Clubs of

America (DECA) and Future Business Leaders of America (FBLA) Club members who recently placed in the Regional Championships and will be competing soon in the State Championships, as well as the Girls and Boys Bowling Teams. The Girls Team won the GMC White Division Championship, while the Boys Team recently won the Central Jersey Group 3 Championship. In addition, the following 2019-20 Budget Presentations were given: [Buildings and](#)

This past week our amazing students and staff continued to impress and inspire us with their accomplishments. Congratulations to students in Ms. Mojzsis's Advanced Art Class at SWMHS who created prints of moths that will be included in two art galleries in Australia. The Moth Migration Project is a collaborative exhibition that will be on display at the Bundaberg Regional and Gympie Regional Galleries in May. Likewise, those same students had a video chat with Lauren

Mc Donald, Program Coordinator at University of the Arts in Philadelphia. They also got a virtual tour of the school's art studios by Assistant Professor and Program Director, Cynthia Thompson.

In athletics, this week we once again congratulate and commend the SWMHS Competition Cheer Team, which on Saturday won First Place at the Howell High School Cheer Tournament. Moreover, they were crowned Grand Champions, which is for the team that received the highest score in the competition. We would also like to once again congratulate the SWMHS Wrestling Team, which not only advanced 6 wrestlers to the New Jersey Quarterfinal Wrestling

Championships, two wrestlers, Savon Kirksey (195 pounds) and Benedict Arthur (285 pounds), advanced to the finals and will now wrestle for a potential State Championship this upcoming weekend in Atlantic City.
