### Data Statements: Strength

- SwD ELA rise above target  
All Students and EL rise was positive and just short of targets  
5th grade ELA status higher than 3rd and All Students (suggesting students do better the longer they attend Laurel)

### Data Statements: Challenges

- The ELA/Math status of All Students and SED students were well below targets  
SED, EL, and SwD Math growth declined  
5th grade Math status below target and below All Students

### Why are we getting these results?

- More PD in Math across grade levels is needed  
Teachers need continued collaboration on Benchmark best practices with professional guidance
