Talk Sup Week 31 Review and Preview

April 16, 2018

Good morning Sayreville! I hope you had a relaxing weekend. Welcome to another edition of *Talk Sup Review and Preview*.

Over the past several months, many people have contacted me to ask if they or someone they knew could advertise on our website or via our Bomber Blasts. Thus, we are happy to announce that if you or someone you know would like to advertise with us, you should click [here](#) and submit an inquiry with *School Revenue Partners*. Naturally, we will continue to Bomber Blast activity information and community service announcements for our schools and the greater community at no cost.

As you know, we are currently taking registrations online via InfoSnap ([Click here](#)) for our [Summer Enrichment](#) and [Camp XL](#) programs. Click on each to find more information on both programs. Each offers a variety of different thematic **activities** and **trips**. Also, please note that Camp XL students will be eligible for [after care](#) in Summer Enrichment **Mondays through Thursday from 12 – 4 pm** and on **Fridays from 8 am – 4 pm**. In addition, **Springboard Education** will

be providing before care services from 7 – 8 am and after care services from 4-6:30 pm. Click [here](#) for more information about Springboard.

While the wintery weather still continues to impact our spring sports schedule, our SWMHS teams are performing well. In fact, after a dramatic “walk-off” victory on Friday to beat Perth Amboy High School, our boys Baseball Team has won its last three out of four games to improve its overall season record to 4-3. Likewise, our Bombers Girls Track Throwing Relay Team took 1st Place in the Shot Put, and 2nd Place in the Javelin and Discus during the East Brunswick Relays on Saturday. As a matter of fact, Jasmine Vannote won the Gold Medal with an impressive 41 foot throw. Go Bombers!

Tomorrow evening at 6:30 pm there will be a Board of Education Business Meeting. During the meeting, we will celebrate and honor the SWMHS Top 10 Students, the two Middlesex County Association of School Administrators (MCASA)/Middlesex County School boards Association (MCSBA) Student Recognition Recipients, the Greater Middlesex Conference (GMC) White Division Champion Wrestling, Boys Basketball, and Girls and Boys Winter Track Teams; along with Coaches Marcus Ivy and Joe Pastva, who were both named coaches of the year. In addition, our media specialists will make a special presentation entitled A Celebration of School Libraries. Finally, the district will present the Period 1 School Safety Data. If you would like to see the agenda for this meeting click [here](#).

As per the April Head of the Class Calendar, this Thursday evening we will induct the Sayreville War Memorial High School (SWMHS) 2017-18 National Honor Society in the SWMHS Auditorium at 7 pm. In addition, on Saturday the Arleth Elementary School will hold its annual Autism Awareness Fair from 10

COLLABORATION, COOPERATION, COMPANIONSHIP

Parents play a vital role in their children's education. The more involved you are, the better your child's academic performance will be. Parent University provides a variety of workshops to help you become a more effective parent.

Workshops include:

- Effective Communication
- Understanding Your Child's Learning Style
- Setting Goals and Expectations
- Managing Your Child's Homework
- Understanding Your Child's Behavior

Register today! Call 732-525-5200 for more information.

In addition, tomorrow evening the Samsel Upper Elementary School will host its annual Family Literacy Night at 6 pm in the SUES Cafeteria. This year's literacy night will feature a special "meet and greet" with award winning and critically acclaimed children's author Audrey Vernick. On Tuesday SUES will also present their annual Disability Awareness Fair in the Gymnasium. On Saturday evening, several staff members and students will be performing in the annual Jammin for Jaclyn Cancer benefit concert, which will take place from 3:30 – 11:30 pm at the Sayreville Knights of Columbus Hall. Finally, please consider attending the April Parent University workshop entitled "Vaping and Jouling: What You Need to Know." During it you will learn more about this widespread problem, the danger it poses to our children, and the signs that parents and educators should be looking for to detect it.
