Extended Year Vision

Extended year programming in Alum Rock takes place during the summer, but we have redefined the “summer school” paradigm to allow for:

- Academic rigor that will ensure all students are prepared to thrive in a diverse and competitive world
- English learner scaffolds that will challenge students to reach and exceed academic proficiency
- Social-emotional components that provide the tools and resources for students to be successful
- Innovative, 21st century-focused themes and environments that engage students and families
- Enrichment Programs to challenge students and provide the opportunity to explore areas of interest.

Visión del Ciclo Escolar Extendido

Los programas del ciclo escolar extendido del Distrito Escolar de Alum Rock se llevan a cabo durante el verano, sin embargo hemos redefinido el modelo de la “escuela de verano” para tener:

- Un rigor académico que asegurará que todos los estudiantes estén preparados para desarrollarse en un mundo diverso y competitivo.
- Apoyos nivelados para los estudiantes del idioma inglés que estimularán a los estudiantes para alcanzar y rebasar el dominio académico.
- Elementos socioemocionales que proporcionen las herramientas y los recursos para que los estudiantes puedan tener éxito.
- Temas y ambientes innovadores enfocados en el siglo XXI que capten el interés de los estudiantes y de las familias.
- Programas de Enriquecimiento Académico para motivar a los estudiantes y para darles una oportunidad de explorar áreas de interés.

Jose Valdes Summer Math Program

A flyer for the Jose Valdes Summer Math Programs. It features a blue background with a white grid pattern. At the top, there are colorful geometric shapes (triangle, circle, square) and a red apple with a green leaf. The title "Jose Valdes Summer Math Programs" is written in white. The flyer is divided into sections for the Summer Math Institute and Summer Math Academy, both of which are open to students entering 5th through 8th grade. It includes details about the program's duration (June 13 to July 28), school closure dates (June 20 and July 4), and the program's focus on enhancing math curriculum and preparing students for high school. It also mentions that the program is open from 8:00 am to 4pm and includes breakfast and lunch. Contact information for Bob Turner, Program Director, is provided at the bottom.

Think Together

A colorful poster for the 'Summer of Adventure' program. At the top, it says 'STEM' in a cloud on the left and 'SPORTS' in a cloud on the right. In the center, a large yellow sun with a face is on the right. The text 'think summer' is in a script font, with 'think' in orange and 'summer' in blue. Below it, 'SUMMER OF ADVENTURE' is written in large, bold, yellow letters. The poster also mentions 'ALUM ROCK USD AND THINK TOGETHER PRESENT' and 'HOSTED AT ADELANTE AND RUSSO-MCENTEE'. It lists two program options: Option 1 (8:00AM-5:00PM) and Option 2 (12:00PM-5:00PM). At the bottom, it says 'SPOTS ARE LIMITED!' and provides contact information: Email: Ricardo.Molina@thinktogether.org, Call: 408.763.9374. The background is light blue with white clouds and a yellow sun. There are also small icons of a globe and a leaf. At the bottom right, there is a small illustration of a campsite with a tent, a campfire, and a signpost.

Think Together

A colorful poster for the 'Summer of Adventure' program. At the top, it features logos for 'STEM', 'ALUM ROCK USD AND THINK TOGETHER PRESENT', and 'think summer explore, learn, together.' A large yellow sun is on the right. The title 'SUMMER OF ADVENTURE' is in large, bubbly yellow letters, with 'VAPA' in a cloud on the left and 'SPORTS' in a cloud on the right. Below the title, it says 'HOSTED AT ADELANTE AND RUSSO-MCENTEE OPEN TO ALL TK-5TH GRADE STUDENTS FROM ANY ALUM ROCK USD SCHOOL!'. The dates are 'JUNE 21-JULY 22, 2022 (CLOSED JULY 4TH)'. There are two program options: 'PROGRAM OPTION 1: 8:00AM-5:00PM' and 'PROGRAM OPTION 2: 12:00PM-5:00PM'. The bottom section, on a yellow background, says 'SPOTS ARE LIMITED!' and provides contact information: 'Email: Ricardo.Molina@thinktogether.org' and 'Call: 408.763.9374'. It also says 'For information about program or to register your student!'. The bottom right corner has a cartoon illustration of a campsite with a tent, trees, and a signpost.

YMCA Summer Enrichment Program

YMCA Summer Enrichment Program

The flyer features a circular logo with the text "SUMMER FUN AHEAD!" in orange and white. Below the logo is a photograph of two children playing on a grassy field. The child in the foreground is jumping, holding a red bag, while the child in the background is sitting on the grass. The YMCA logo is in the top right corner.

Fun Summer Ahead! The YMCA will be hosting two summer enrichment programs open to all TK - 6th graders in the Alum Rock Union School District.

Parents and kids agree: when it comes to summer programs, nobody offers an experience like the Y. Our focus is on youth, and creating experiences that foster accomplishment, friendships and lifelong memories. Attending a summer enrichment camp is a wonderful opportunity for kids to keep their minds and bodies active. With the inclusion of academic curriculum in the morning session.

This is a free program.

Programa de Enriquecimiento YMCA

YMCA Programa de Enriquecimiento en el Verano

A promotional poster for the YMCA Summer Fun Ahead! program. The top half features a photograph of children playing on a grassy field under a blue sky. A circular graphic on the left contains the text 'SUMMER FUN AHEAD!' in bold, orange and white letters. The YMCA logo is in the top right corner. The bottom half of the poster is a solid blue background with white text providing details about the program, including its purpose, location, dates, and contact information.

¡Un verano divertido por adelante! El YMCA organizará dos programas de enriquecimiento de verano abiertos a todos los estudiantes de TK a 6° grado en el Distrito Escolar Alum Rock Union.

Los padres y los niños están de acuerdo: cuando se trata de programas de verano, nadie ofrece una experiencia como el Y. Nuestro enfoque está en la juventud y las experiencias que fomenten los logros, las amistades y los recuerdos para toda la vida. Asistir al campamento de enriquecimiento de verano es una oportunidad maravillosa para que los niños mantengan sus mentes y cuerpos activos. Con la inclusión del currículum académico por las mañanas.

Este es un programa gratuito.
