Athletic Physicals:

Physicals cover athletes for a 13-month period and current valid physicals within that date range can be uploaded directly into the Family ID site. Athletes should pay close attention to the 13-month expiration date and be sure that your physical will not expire before the season ends. If you've previously registered with Family ID, we recommend you log in to verify your physical's date. New physical forms are in effect for the 2022-2023 school year. As you get your physical renewed, please use the new form available [Athletics - Carroll County Public School District \(carrollk12.org\)](#).

Eligibility Policy:

Students eligible to participate in high school athletics and other extracurricular activities at the high school level may lose their eligibility if found to be in violation of the policies and administrative regulations of Carroll County Public Schools. Students who represent Carroll County Public Schools through involvement or performance in an extracurricular activity are held to high standards in three areas: Academics, Attendance, and Conduct. The eligibility regulations are included in detail on the Carroll County Public Schools website at [Home - Carroll County Public School District \(carrollk12.org\)](#).
