Learning@ISB

Learning@ISB provides our community an overview of the key principles about learning that we value as a school in line with our mission and guiding statements.

ISB believes learning is a journey that happens when learners are engaged, motivated and academically challenged, generating an appetite for continuous learning and a compassionate attitude towards others and the betterment of the society and environment around them.

We strive to provide enjoyable learning that:

Explores relevant
connections between
disciplines and the world
outside the classroom,
building on their prior and
existing knowledge

Nurtures and promotes empathetic, healthy and caring relationships in all contexts of school life.

Engages in deep conceptual understanding of meaningful disciplinary knowledge

Generates action
through critical
and creative
thinking rooted
in meaningful,

Provides
equitable access
to learning for all
learners

Learning@ISB

Values reflection as learning, in collaboration with others and on their own.

authentic and ethical learning

Challenges hearts and minds, to reach each learner's academic potential and develop a sense of responsibility for their own learning

Pursues intentionally planned studentcentered experiences and assessment, empowering students by giving them both voice and choice in their learning journey

Seeks
opportunities for
purposeful inquiry
into issues of
global significance,
social justice/
compassion and
cultural diversity

enhance and maximise learning while exploring the opportunities, limitations, and ethics of the digital world
