School Budget Vote - June 14

Town Manager Tom Hall and Superintendent Geoff Bruno **presented the proposed Fiscal Year 2023 budget to Town Council** on March 31 ([Click Here](#) to view slides). This year's school budget proposal reflects current concerns around the wellbeing of students, staff and community. Learning recovery, social and emotional needs, and ongoing pandemic management protocols are considered as critical factors in all decision-making.

Since then, the School Board has reviewed the budget during public meetings and made adjustments to reduce the taxpayer impact. [This document](#) outlines the adjustments from Fiscal Year 2022 to 2023, as well as the proposed budget by Leadership Council and proposed budget by the School Board (approved at School Board Second reading on May 5, 2022 and amended on May 20).

K-8 Strategic Project & New Primary School

To the Scarborough Community:

Please note upcoming meetings and a community forum coming up in the very near future related to the K-8 strategic project and new primary school. Mark your calendars!

There will be:

- a **Building Committee Meeting** held **Tuesday, May 24th** at SHS starting at 6:30pm.
- a virtual **educational visioning workshop** scheduled for **May 26th**, starting at 6pm (building off the presentation made by Harriman at the community dialogue)
- a **2nd community forum** focused on the **site selection overview and process**, to be held virtually on **June 6th**, also starting at 6pm.
-

If you would like more information on the primary school project, please navigate to this page to access a recording of the community dialogue presentation, or any other information related to the building project. [LINK TO BUILDING PROJECT](#).

GET INVOLVED. Join a building project subcommittee or participate in the May 26th visioning workshop by clicking on [THIS LINK](#).

ATTEND A FORUM: Site Selection Overview and Process - June 6th, 6-8pm

Best Regards,
Geoff Bruno, Superintendent of Schools

Celebrate a Senior!

It's that time of year again. The Scarborough Education Foundation is holding its annual fundraiser and celebrating our seniors with messages and balloons! Please click on the link below for more information and to place an order. The deadline to order is **today - Friday, May 20.**

If you have any questions, please email scarborougheducationfoundation@gmail.com.

COVID Update

A few important reminders as we look to the last 4 weeks of school:

- The state ended the Pool Testing program last week; there is no in school testing available at this time.
- Last Friday, you should have received a box of 5 at-home tests for use if you are notified that your student has a classroom exposure or is experiencing symptoms. [This communication](#) that was shared last week provides details about use of at-home kits and most recent protocols.
- [Click here](#) for the latest CDC recommendations to follow if you think you/your child might be a close contact.
- Please continue to be vigilant in monitoring your child for symptoms before sending them into school.
- If your child has had COVID, please make sure that, if you are sending them back to school after 5 days, they continue to wear a mask for at least 5 additional days.

Together, we can ensure that our students and staff experience a healthy and positive end to the school year.

District Wide Reported Positive Cases by Week

Spring State Testing Information

As our schools move into spring activities, one spring event on the horizon is the state requirement for testing, often known as the Maine Educational Assessments or MEAs. There are two different State assessments required to take place this spring: One is the NWEA MAP Growth Tests; the other is the MEA Science test, also referred to as the ADAM Science test. What follows is information on each as well as the importance of this data and how we use it.

NWEA MAP Growth:

- Who: students in grades 3-8 and 3rd year of high school
- When: Between May 2 and June 10 Why: To measure and celebrate growth from the fall tests in Reading, Language Usage, and Math
- How: Online assessments taking approximately 45-60 minutes each
- Results: will be sent home at the end of the year

ADAM Science:

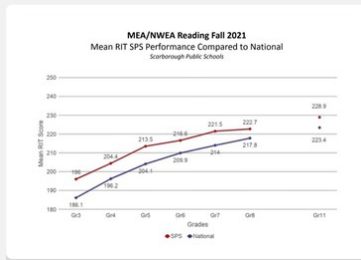

- Who: students in grades 5, 8, and 3rd year of high school
- When: For grades 5 and 8: between May 2 and 27; For 3rd year of high school: between May 16 and June 10
- Why: To measure student performance in science
- How: Online assessment scheduled in multiple sessions for a total of 3 hours of testing
- Results: will be sent home as soon as the state releases the results, typically in the fall

School leadership is working hard at scheduling these assessments to minimize the disruption to the instructional day. More specific details will be provided by each school.

The data is important to us as it will assist us in making improvements to our curriculum and instruction. As the Literacy and Math results will be available to teachers this spring, the information will assist teachers in measuring growth and celebrating growth.

While an 'opt out' option is not available, we do wish to partner with parents to make decisions in the best interest of our students. If you have concerns regarding your child's participation, please contact either your child's guidance counselor, principal, or Monique Culbertson, Director of Curriculum and Assessment. We appreciate your support as we look forward to using the data from these assessments to inform teaching and learning.

6-12 - 12:55 p.m.

**Last Day of School Release Times - June 17:

K-5 - 11:45am

6-12 - 10:45am

Become a Substitute!

The Maine Department of Education and Educate Maine have partnered together to promote more individuals to become substitutes by offering **full reimbursement for the fees** associated with fingerprinting and background checks as an incentive. Please consider this opportunity if you have time to support our students in this way.

A Call to Action: Our Schools Need YOU!

Maine Department of Education and Educate Maine are partnering to call on Maine businesses, leaders and citizens to become guest school staff members. It's time to lean in!

Maine's schools have been safely open for business, ensuring that students have access whenever possible to high quality, in-person learning.

The statewide surge of COVID-19 has increased school staffing shortages, and many schools have had to make emergency and disruptive pivots to remote learning, simply because they do not have enough adults to ensure that schools can operate safely and effectively.

WE NEED YOU to be a guest school staff member.

What is a Guest school staff member? Guest school staff members are substitute staff who are supporting or filling in for bus drivers, playground monitors, food service workers, teachers and support staff. Most are daylong positions, some are hourly, but even one day of substituting can make the difference, keeping a school open for students!

How?

It's a simple process. Go to this [website](#), and follow the 9 steps for choosing where you would like to help, applying, and receiving the required training and background clearance for working in a school. Check it out: <https://www.maine.gov/doe/substitute>

What does it cost?

Nothing but a little time. It will take about one hour to fill out and submit the needed applications, and a \$15 application fee and \$55 fingerprinting fee will be charged, but this **WILL BE REIMBURSED!** Getting fingerprinted will take a bit more time, but you can schedule an appointment that is convenient for you.

Why?

You can make a difference. You will be a hero, supporting your schools and ensuring that public education is available for all of Maine's children. You can work with the school district(s) of your choice, may be able to choose when and where you can help, and you will be inspired by the energy and miracles that fill our schools.

We will be using social media platforms to recognize our heroes and the organizations who are supporting Maine schools. Please join us- and be recognized as among those who are making a difference.

Health & Safety

Please make sure you review the **UPDATED Student Health Self Assessment** questions for 2021-22 below **EVERY DAY** before sending your child off to school.

TOGETHER, we can make our schools as safe as possible!

Pre-Screening Tool for School Attendance

Within the past 24 hours have you had a fever* or taken fever reducing medicine?

YES =

Do you feel sick, had Vomiting/diarrhea, fever*, sore throat, new cough, or felt unwell?

YES =

Have you been told to stay home and isolate/quarantine due to COVID-19 exposure?

YES =

Most Common Symptoms of COVID-19:

Cough
Shortness of breath or difficulty breathing
Fever *
Chills
Sore throat
New loss of taste or smell

Less Common Symptoms:

Muscle pain
Nausea or Vomiting
Stomach pain
Diarrhea
Fatigue
Headache
Rash
Swelling or redness of hands/feet
Red eyes/eye drainage
Congestion/ runny nose

*Fever is 100.4°F/38°C regardless of measurement location (oral, temporal)

Stay home with any **YES** response to the questions above.

Symptoms of illness can have many causes. Please keep your student home and contact your school nurse or primary care provider if your student is unwell. Students who present with symptoms while in school will be dismissed to home at the discretion of the nurse.

*A fever is 100.4F/38C or greater.
