Re: Origin of ingredients used to process the "Tasty Nada's"

The flour we use is purchased from Bakemark and manufactured by Cereal Food Processors Inc. Mission Woods KS.

Our Turkey is purchased thru Norbet out of Utah. The reason we use this certain brand of ground turkey is that it is consistent in its content. We have used California manufactures of Ground Turkey only to have it be too wet or too dry and very inconsistent in flavor and texture.

We purchase our Cheese and oils from Challenge of California.

Spices are purchased from Starwest Botanicals here in Sacramento California.

We prepare and process the ingredients at Bell Tasty Foods, 9136 Elkmont Way, Elk Grove CA 95624 under USDA inspection.

All Items used to produce the products we produced have a letter of guarantee on file, stating no product is misbranded or adulterated.

Product produced here is stored on the premise and picked up FOB our dock by Distributors or Logistic company contracted out by distributor.

Thank you,
