

SWMHS Accomplishments 2017 – 2018

Increased AFJROTC enrollment from 68 to 82 students.

Implemented career academies in the areas of teacher education and business.

F.A.C.T - foundations of academic and community training in education

S.B.A – Sayreville business academy

Created and implemented a summer PARCC tutorial program to increase proficiency in Algebra 1 PARCC.

Offered an additional PARCC testing opportunity for students to pass the algebra i state graduation requirement.

Installed and continue to utilize front entrance video surveillance technology to screen visitors prior to building entry

Goals for the 2019-20 School Year

- Increase AFJROTC enrollment from 82 to 100 or more students.
- Increase enrollment in career academies in the areas of teacher education and business.
- Implement STEM academy and the cte program.
- Implement opportunity rooms during student lunch periods
- Create and offer Tier 3 tutoring services during student lunch periods.
- Plan and implement school security procedures including metal detectors, student id's, and visitor entrance protocols.
- Use multiple pathways to increase the number of students meeting NJ graduation requirement.

RESOURCES NEEDED TO ACCOMPLISH GOALS

- ▶ Increase enrollment in career academies in the areas of teacher education and business.
 - ▶ Increase personnel based on career academy enrollment
- ▶ Create and offer Tier 3 tutoring services during student lunch periods.
 - ▶ Hire at least 4 part time cafeteria aides
 - ▶ Funding for supplemental tutoring
- ▶ Plan and implement school security procedures including metal detectors, student IDs, and visitor entrance protocols.
 - ▶ Increase security monitors or make existing PT monitors FT to assist in monitoring student arrival procedures
