2018-2019 Goals & Highlights

▶ GOALS:

- ▶ To increase the number of students who are meeting expectations in Algebra I as evidenced by 41 or more of the students who were previously approaching expectations on the 2019 PARCC Algebra I assessment.
- ▶ To effectively implement the Medal of Honor Character Education Program.

▶ HIGHLIGHTS:

- ▶ Implement instructional methods which focus on centers/stations
 - ▶ (Differentiated instruction)
- ▶ Began the infusion on the Medal of Honor Character Education Program in Social Studies Courses
- ▶ Rutgers Climate Project: The inception of the School Climate Team
 - ▶ 30 Students selected by their teachers by grade level
 - ▶ Purpose – to give our students a voice for change
- ▶ Began to identify facility needs (Face Lift) of the school to continue to support the academic and culture needs of the school.

2019-2020: Prospective Goals

▶ Student Achievement

- ▶ Continue to foster instructional strategies to engage and motivate our students in all content areas. (Differentiated Instruction)
 - ▶ Example: Tier 1 interventions/Work with the teacher/Technology/Formative Assessment/Error Analysis
- ▶ To begin to transition media center space to Maker Space Centers

▶ Climate & Culture

- ▶ Continue to implement the Medal of Honor Character Education Program. (School Wide)
- ▶ Continue to implement the School Climate Team by engaging our students in authentic and positive activities which allow them to use their “Voice” to foster change throughout our school
- ▶ To create and implement a well developed School Store in collaboration with the SMS PTO which embodies the spirit of school pride
- ▶ To effectively communicate with the school community; Parents, Students, and Staff for the purpose of transparency and school worth.

2019-2020:

▶ **Resources/School Improvement**

▶ **To promote the positive aspects of the school by:**

- ▶ **creating educational spaces which contribute to engaging and motivating instructional strategies**
- ▶ **promoting a food service area which contributes to the well-being of our students**
- ▶ **update the existing audio/visual equipment located in the café/blueroom**
- ▶ **promoting the safety of our students with the installation of window coverings**
- ▶ **Utilizing communication vehicles to keep our student well informed of school events, meetings, etc. by installing Message Monitors in three locations to display school information**
- ▶ **Utilizing the technology department to install external and internal security cameras as well as PA speakers needed throughout the building (Inside/Outside)**
- ▶ **Supporting teacher needs through curricular needs as well as instructional supplies**
- ▶ **Supporting teacher needs by purchasing an updated poster maker and lamination machine.**
