VOLLEYBALL TEAM MEMBER GAME DAY EXPECTATIONS

General Expectations:

1. Every participant will be on time for practice, team meetings, matches, and bus departure times.
2. Every participant is expected to support their team, whether playing or from the bench during that contest (as a substitute or if injured) Additionally, injured players are to communicate with their level coach about practice commitments and expectations.

Game Day Expectations (both home and away contests):

1. Bus transportation to an away game contest is **mandatory**. **All players must travel FROM the school as a team unless school arranged transportation is not provided.**
2. Participants in the **Frosh/Soph only** match need to stay through Junior Varsity warm-ups and through the match if assigned to line judge; otherwise, you may leave after helping with warm ups.
3. **Junior Varsity players** need be present for the Frosh/Soph team warm ups. **Players who have been assigned line judging duties must also be present.**
4. Participants in the **Junior Varsity only game** need to stay through Varsity team warm ups and through the Varsity match if assigned to line judge; otherwise, you may leave after warm ups are over.
5. Participants in the **Varsity only** game need to be present to help with JV warm ups and should be dressed in uniform and ready for play after the second set of the JV match.
6. **Varsity reserve players** need to stay as subs on the Varsity bench during the Varsity match.
7. At an **away** contest, if a participant finishes their assigned contest and is not playing in the following game, they can be picked up and transported home by the parent/guardian if a signed note requesting this action is given to the Varsity coach. **They must stay through warm ups of the team playing immediately after their match.**

A student may NOT ride home with another student's parent/guardian unless the Varsity coach has received a note from the parent/guardian requesting this action.

While participants are allowed to leave as outlined above, they are highly encouraged to stay if at all possible.
