

# BCS Elementary Summer Math Packet

## Third Grade for 2022-2023

This is your child's summer math packet. The material contained in this packet is a review from second grade. Please have your child complete this work over the summer. Feel free to assist if your child needs help. The math packet is due on the first day of school, Tuesday, August 9. It will count as a daily grade. Please help your child review addition and subtraction facts over the summer. This will help tremendously during the school year.

During the first week of school, your child will have an assignment over the same material. It will count as a daily grade.

Thank you,

Third Grade Teachers
