b. Accept OSPI ESSER Grant of \$200,000

Presenter: Sarah Vasquez

Ephrata High School has been awarded \$200,000 through the OSPI ESSER Grant: CTE Graduation Pathways. Funds may be used to rapidly expand providing CTE course sequences that provide sequential learning programs in high-demand CTE areas and include access to dual credit or lead to an industry recognized credential. With these funds, Ephrata High School plans to hire a full time staff member that will serve as a certified athletic trainer and teacher in the Health Science CTE program. The teacher will teach Sports Medicine and supervise students in work based and work site learning opportunities including athletic training at extracurricular events. The teacher will help establish the course and grow an already existing Health Science CTE course sequence. These funds will also be used to purchase curriculum, equipment and supplies to make the course and course sequence relevant, engaging and like industry.
