1. Students sampled Stok iced coffee with 3 varieties of sugar free creamer. The positive feedback received was that the product was smooth and they enjoyed it.
2. Surveys were distributed from The Greater Pittsburgh Food Bank regarding a name change for the Summer Meals Program. We asked students to complete the surveys and we sent them off to GPFB.
3. Trinity surveys were also distributed for new shredded beef and chicken entrees including shredded chicken tacos, shredded beef tacos and hot beef sandwiches. Those surveys indicate that students want those options so we will menu them for January.
4. Students gave feedback on breakfast and said that the breakfast sandwiches are delicious. They would like to see more hot options so we will look into scrambled eggs.

It was a great meeting and we will continue to work toward a healthy school environment.
