RESOLUTION DETERMINING THE APPEAL OF STUDENT DISCIPLINARY MATTER The following motion was made by K. Elliott, seconded by K. Ballard:
WHEREAS, the Board of Education of the Victor Central School District (the “Board”) received a written appeal from a student disciplinary matter arising under the District’s Code of Conduct Policy; and
WHEREAS, the Board has considered the matter in executive session, to protect the privacy of a student’s education records and personally identifiable information under Federal and State Law, pursuant to a motion made and approved under Public Officers Law §108(3) during the regular business meeting of the Board on April 6, 2022; and
NOW, THEREFORE, BE IT RESOLVED, that having reviewed the paperwork, listening to the hearing and due deliberation having been had, the appeal is denied, and the decisions of the building administration and the Superintendent of Schools are affirmed.
AND IT IS FURTHER RESOLVED, that the President of the Board of Education, or the District Clerk as designee of the President, is hereby authorized to prepare a letter consistent with this Resolution and with the deliberations in Executive Session to be prepared, signed and mailed to the appellant; and to include in that letter language appropriate to inform the appellant of the time and manner in which an aggrieved party may file an appeal of this decision with the New York State Commissioner of Education;
AND IT IS FURTHER RESOLVED, that this Resolution shall take effect immediately.

- REGULAR SESSION** A motion was made by K. Ballard, seconded by E. Mitchell, to return to regular session at 7:08 PM. The motion was carried. 5 yes 0 no
- T. Turner arrived at 7:15 PM
- APPROVE AGENDA** A motion was made by K. Ballard, seconded by T. Turner, to approve the agenda for the meeting. The motion was carried. 6 yes 0 no
- RECOGNITIONS** Board President Tim DeLucia welcomed everyone.
- Senior High Musical** Mr. DeLucia introduced Musical Director Jeremy Hawkinson who spoke about this year's Senior High musical *Freaky Friday*. Mr. Hawkinson said it was a perfect show for the current time. The message was great; seeing the world through someone else's shoes and creating empathy. He said the cast was amazing and worked very hard. They were glad to be back in a live theatre and it made them realize not to take anything for granted and how lucky they were to be creating a show again for a live audience. He thanked the cast for reinvigorating everyone's love again for live theatre. Mr. Hawkinson thanked the parents and the creative team, Dr. Terranova and the Board of Education. He said they are off to Stars of Tomorrow on May 5th. The group was presented with a plaque and each student was presented with a certificate recognizing their participation in the show.
- Athletics** Mr. DeLucia introduced the Director of Health, Physical Education and Athletics, Duey Weimer who helped present the athletic recognitions. Mr. Weimer said all 12 of the winter teams received scholar athlete status.
- Wrestling Section V Champion** Mr. Weimer introduced Varsity Wrestling Coach Craig Kaper who spoke about Section V Champion Dominic Attardi. Coach Kaper thanked Dr. Terranova, the Board of Education and especially Mr. Weimer for all the support. He said he is very grateful and feels very lucky to coach individuals like Dom every season. He said wrestling is very much a team sport and he thanked all 9 senior athletes. Coach Kaper said he and Dom have been working together for numerous years. His work ethic and leadership are second to none. He had goals and achieved those goals with the culmination of the New York State Tournament and the Senior Campaign. Last year was a very difficult year competing; however, they did have a sectional competition and Dom was the Class A Sectional Champion then and returned this year and won the Monroe County Tournament and Section V Super Sectionals which qualified him for the NYS Championship in Albany. Dom was presented with a certificate acknowledging his accomplishments.

Boys Swimming Section V and NYS Champion

Mr. Weimer then introduced Coach Brett Leader who spoke about Alex Crossing's successful season. Coach Leader said Alex has been at the center of the Victor Swimming Program since he started his career at the varsity level as an 8th grader. He puts in an overwhelming amount of work and dedication behind the scenes, always wanting to push his training to the next level and compete against the best and always putting his long-term goals ahead of his immediate ones. Alex qualified for the NYS Championship in each of his last four seasons. He took home his first two individual Section V titles in the 200 and 500 Freestyle events in his Junior year and successfully defended them this year as a Senior. At the NYS Championship he finished 5th at the 200 Freestyle and then went on to shock everyone in the state by winning the 500 Freestyle. He became the first Victor Schools state champion since the 2013 season and breaking a 10 year old school record. Coach Leader said Alex was voted by the Monroe County coaches as the overall Swimmer of the Year. Alex was presented with a certificate acknowledging his accomplishments.

Indoor Track and Field Section V and NYS Champions

Mr. Weimer introduced Indoor Track and Field Coach Austin Dunroe and sectional winner Andrew Koveleski, and sectional and state winners Melody Harloff, Grace Woodworth, Julia Sodoma, Maddie Pitts. Coach Dunroe first thanked the Board of Education, Dr. Terranova, the athletic office, the high school and primary school administrators, buildings and grounds and the parents and athletes. Coach Dunroe started out by recognizing Melody Harloff's Section V Champion in the 55 Meter Dash. She not only won the Section V Championship, but she also had the second fastest time in the State of New York. He then talked about Andrew Koveleski's first year ever doing track and field and first year ever throwing a shotput He won the Section V meet by nearly six feet. Coach Dunroe spoke about Maddie Pitt's season. She was a two time Section V Champion in the Triple Jump and the 600 mid-distance event. Melody Harloff, Grace Woodworth, Julia Sodoma and Maddie Pitts won the 4 X 400 NYS Championship by .06 seconds. This is the first NYS Championship for indoor relay in Victor's history. All of the athletes were presented with certificates acknowledging their accomplishments.

Varsity Cheerleading

Mr. Weimer then introduced Varsity Cheerleading Coaches Alix and Alyssa Dayton and the Varsity Cheerleading Team. The coaches started out by thanking the Board of Education, Dr. Terranova and Mr. Weimer for their support of the program and the athletes. They thanked the rest of the cheer staff, the JV and Modified Coaches. The Varsity Team is a complete package thanks to them and the foundation of the program. The Varsity Cheerleading Team won the Division 1 Large Sectional Championship and qualified for the State Championship for the 4th consecutive year in a row. The coaches said their hard work and dedication to the team and each other finally paid off. It has been four years since Victor won their last sectional title. They said the parents are second to none and have supported the kids through all of the highs and lows the season brought. The routine this season was one of the hardest that Victor has ever put out and for this group it is only the beginning. The athletes were presented with certificates recognizing their

VICTOR CENTRAL SCHOOL BOARD OF EDUCATION

accomplishments and a plaque recognizing the team sectional win was presented to Coaches Alix and Alyssa Dayton.

Varsity Ice Hockey Sectional Champions

Mr. Weimer introduced Varsity Ice Hockey Coach Mike Ferreri and the Varsity Ice Hockey Team. Coach Ferreri first congratulated all of the athletes and coaches. He thanked Dr. Terranova and the Board of Education for attending multiple athletic contests both home and away. He also thanked Mr. Weimer and the parents. Coach Ferreri said being a coach for 20 years never gets old. Most of the time the boy's dedication and hard work goes unnoticed. The spectators at the contests see the end result. He said a lot of things that people don't see, that he is most proud of, is the impact the young men make in our school and in our community. Coach Ferreri talked about the Mentor Program they have with Mrs. Zink's 2nd grade class that has been going on for 5-6 years along with the impact the boys have on their peers and with youth hockey programs. They sacrifice their own accomplishments for the good of the team and the good of each other along with the good of the community. The wins, the league championships, the sectional championships, the regional championships is something to be proud of; but what makes him prouder is how the young men impact kids like Mrs. Zink's 2nd graders on a daily basis. Coach Ferreri talked about beating a team in a nine-player shoot out, something that has never happened before. Win or lose the young men are champions because they care so much for each other. They are extremely talented and very powerful. Coach Ferreri congratulated the 2022 Sectional Champions. The athletes were presented with certificates recognizing their accomplishments and a plaque recognizing the team sectional win was presented to Coach Ferreri.

C. Parks arrived at 7:54 PM.

SUPERINTENDENT'S UPDATE

Dr. Terranova mentioned the upcoming presentations for the evening which are about the Strategic Plan and the overview and adoption of the 2022-2023 budget. He then provided an update on summer enrichment and other summer opportunities. He thanked the PTSA for the Breakfast & Books, which occurred in every building. There were over 700 books distributed for kids across the five buildings. PTSA will be hosting Super Science Saturday on 4/23 from 10 AM -12 Noon at the Intermediate School, a free family event. Also, the SPOT will be expanding from the Primary School to the Early Childhood School. Superintendent Terranova then mentioned upcoming celebrations. On April 25th at 6:45 PM is the Visual and Performing Arts Hall of Fame Induction for John Delmonico, Class of 2004. On April 29th will be the Staff Art Show from 6:30 PM – 7:00 PM in the hallway outside the Junior/Senior High Performing Arts Center with a music concert by staff to follow at 7:00 PM in the Performing Arts Center.

CAMPUS NEWS

VCS administrators summarized campus news and events at this time.

STRATEGIC PLAN FOLLOW-UP

Superintendent Terranova provided a Strategic Plan update. He reminded the Board of Education the plan was created through the fall and winter. It is now being communicated across the community. He provided the Board with a list of dates and times the plan is being presented in various locations. They are currently in the process of creating the Management Plan. The Strategic Plan is five years, and they want to hone down into a document that is something to work from and make the Strategic Plan come alive. The Management Plan will be developed in the next two months with the support of the facilitators from the University of Rochester. That document will then be presented to the Board either in June or July because it will be for the 2022-2023 school year. The Management Plan will be tied to the first-year items in the Strategic Plan that will help set goals not only as a District but as departments and as buildings.

BUDGET UPDATE

Superintendent Terranova thanked the Assistant Superintendent for Business Derek Vallese and the Assistant Superintendent for Personnel Dorothy DiAngelo for their leadership around developing the 2022-2023 budget. He also thanked the leadership staff for their leadership around developing the budget and their ability to make sure the staff and faculty are involved in the planning and have a voice in the decision making around the budget. Dr. Terranova then thanked the Board of Education for their leadership around the processes. Mr. Vallese summarized the budget proposal by starting off reviewing the goals. These goals include maintaining a comprehensive education that the Victor Central School

District community expects, improving alignment of resources toward District initiatives, maintaining stabilization of reserves, maximizing the use of every dollar spent, maximizing the ability to generate aid for future years and having complete transparency. Mr. Vallese provided a personnel update, which is to add 32.9 positions at a rough cost of approximately \$2.05 million. He then reviewed the expenditures. The budget for 2022-2023 is just over \$89 million, a 7.19% increase. Mr. Vallese provided an overview of the revenues. The tax levy will be going up a total of 5.19%. This is not by individual tax payers, rather the total amount the levy will be going up. The District is expected to receive approximately \$2.7 million in tax levy and \$2.4 million net in state aid. Going to the Tax Cap the District is looking at roughly a 1.83% tax rate increase on individual taxpayers. Mr. Vallese said that is a conservative estimate as the tax rolls do not get finalized until June 30th so any new development will be included on the tax rolls. The tax rate could go a little lower than 1.83%, which is about \$30.84 per \$100,000. Mrs. Ballard asked if that is per year. Mr. Vallese said yes. As a recap Mr. Vallese said the budget is going up 7.19%, the tax levy is going up 5.19%; however, the individual rate for the taxpayer will go up approximately 1.83%. The difference between the levy and the individual tax rate is the new growth within the community as Victor is the sixth largest growing District in the State of New York. He then reviewed the three other District propositions that will be on the ballot. These include the Bus Purchase proposition, requesting to purchase 7 buses for a little over \$1 million. This is to replace buses that are over 10 years old and in excess of 100,000 miles. There are also two reserve fund propositions. One is to lessen the burden of a bus purchase proposition in the future and in order to do that the District is asking the community to allow the District to create a Bus Purchase Reserve. It is another form of a Capital Reserve so it can be funded through Board approval, however it cannot be spent without voter approval. The goal is to pay for the buses through the reserve to keep the tax implication of bus purchases minimal. Unused budgetary funds from a given school year would be used to fund the reserves. Another proposition is an additional Capital Reserve to help upgrade the facilities. The District has gone through a Building Condition Survey where the architects have come through and analyzed the schools and have come up with about \$27 million worth of repairs to the existing facilities. This reserve will allow the District to adjust for potentially new students coming in as Farmington and Victor keep growing. Mr. Vallese said that he and Dr. Terranova will be providing a budget update during the virtual Town Hall on April 20th. On May 3rd there will be a Budget Hearing and Meet the Candidate Night following by a Meet the Candidate Night hosted by PTSA, PIE and VOICE. On May 17th the vote will take place in the Early Childhood School Boardroom from 6:00 AM – 9:00 PM. Board President Tim DeLucia said the Board is at the point where they can

adopt the 2022-2023 budget. He said he is confident that the budget answers to the stated goals and it allocates additional resources that meet the District's needs. He thanked Mr. Vallese, Mrs. DiAngelo, Dr. Terranova and all the staff that contributed to building the budget. Mr. DeLucia said it's complete, it's transparent and the Board appreciates it.

ADOPT 2022-2023 PROPOSED BUDGET

A motion was made by T. Turner, seconded by K. Ballard, that the following resolution be adopted:

RESOLVED, that, upon recommendation of the Superintendent, the proposed budget for the 2022-2023 school year be approved as submitted, for a total of \$89,198,479, subject to approval by the qualified voters of the District at the Annual Vote and Election on May 17, 2022.

Mrs. Elliott said this is a healthy budget and a smart budget. She said she is grateful the Foundation Aid came in and it is timely as it aligns with the Strategic Plan. She said it is a welcome change and is grateful for all the work that went into putting the budget together.

Mr. Eckhardt said a 7% increase from budget to budget gives the District and opportunity to give the students what they need. Student's needs require resources, whether it be academic needs, social/emotional or mental health needs. The staff also have needs, including the tools to have an opportunity to perform their duties to help students fully grow and develop. An additional 33 FTEs, 7% increase budget to budget and a 1.83% tax rate increase, which is extremely fiscally responsible and is very low, allows us to provide what we are providing. It was an excellent job all the way around on the revenue, expense, and the tax rate. Mr. Eckhardt said he is pleased and proud to support the budget for the community, the students, and the staff.

Mrs. Mitchell said she is reflecting on earlier in the evening when they sat in the auditorium and recognized the students and staff and their accomplishments. It speaks to the staff and how much they have done for the students with limited resources in the past. It is exciting to be able to fill the areas of need that were lacking for quite a while. She said she is so excited to see what next year will bring with the added supports. Mrs. Mitchell said she is excited and proud to support the budget.

Dr. Parks talked about when the Board sat in gratitude to the community, faculty, staff, and administration when they made the brave sacrifice to override the Tax Cap and the Board identified it wasn't enough. Since then, we have continued to not lose site of the gaps the

**VICTOR CENTRAL SCHOOL

District could not fill then. He said he applauds everyone in the District because nobody lost site of what was identified then with realizing it wasn't enough. The process of everyone giving input within the District and District leadership so this budget could be formed is nothing short of spectacular. Dr. Parks said he couples that with a challenge to the current and future Boards of Education to not collectively rest on our laurels and pat ourselves on our back. There is still more work to do, and we should still be asking the question "What is the next piece?" We should celebrate this budget and be proud of all the work everybody did and then continue to hold ourselves accountable to ask what is the next level we need to reach.
