DIRECTOR'S NOTES

As the school year comes to a close and our final concert is done, I look ahead to my retirement from SPA this spring. Teaching at SPA has been my life for the past 34 years, and I have directed choirs and musicals for almost five decades. I am a dinosaur! I have loved every minute of it and my joy has been working with great students and adults throughout the years, sharing that same joy and love of singing.

I have been blessed to do what I was destined to do for my life's work. To the entire SPA Community: thank you for all of the encouragement and support you have given me and our students throughout my many years of teaching, whether on the Goodrich stage, at St. Kate's, at Carnegie Hall, or right here on our magnificent Huss stage. SPA's music program has grown by leaps and bounds since my first years of teaching, thanks to my amazing music and theater colleagues. I am confident that our programs and performances will continue to grow and prosper, challenging our students to explore the lifelong pursuit of expressing themselves through the arts. As one parent said to me, "You are going to Intermission, and your Second Act will start soon." I look forward to what that Second Act will bring in my future!

With deepest gratitude,
Anne Klus

ANNE KLUS CHORAL ENDOWMENT FUND

In celebration of Anne Klus' extraordinary 34-year career, St. Paul Academy and Summit School has begun an effort to endow a fund in her honor. The Anne Klus Choral Endowment Fund will pay tribute to the creativity and joy Anne brought into the lives of her students and the SPA community through music making. The Klus Fund will provide resources to further SPA's Choral Music program and will support new initiatives such as commissions, guest performers and conductors, workshops, touring expenses, recordings, or other programming that creates the best possible choral experience for SPA students and inspires in them a lifelong love of singing.
