

Hello families!

Happy summer! We are so very proud of all of your daughter's hard work in second grade. We know that everyone needs a break, so please enjoy the summer holiday and use the time to relax and have fun!

We hope that you encourage your daughter to continue reading, writing, and engaging in math activities throughout the summer. These optional Summer Enrichment Menus (links can be found below) are full of fun, engaging activities to help your daughter practice what was learned in second grade and prepare her to begin third grade.

Please let Jennifer Adams know if you will like a hard copy of the summer enrichment packet by emailing her at jadams@ashrosary.org as well as if you would like a notebook to complete any written assignments. Also, if you need help with anything, please know that our counselor, Janice Foulks, is available by email all summer. Her email address is jfoulks@ashrosary.org.

Thank you so much for a wonderful year!
