

# Woo-hoo, Summer!

Come play, compete, win, and read  
in Security Public Library's Annual

## Teen Summer Reading Program

Set your own pace for reading/listening-to books, and choose in which weekly activities you'd like to participate.

### READ (or Listen)

Register and get a reading log to track how much you read (or use our new app, see below). For every two hours of reading, you will earn an entry into the drawing for one of several grand prizes—up to 125 entries! You will earn guaranteed prizes once you've completed 10 (personalized necklace) and 20 (themed t-shirt) hours of reading.

### WEEKLY EVENTS

Registration is *not required* for weekly activities. You can do, or not do, anything you choose.

#### Activity Wednesday

Activities are designed to be completed here on our patio. Supplies are limited.

#### Movie Mondays

Movies will be held in the All-Purpose room on the lower level of the community center or in one of the classrooms on the upper level. Participants younger than 13 will need a signed permission slip for access to PG-13 features. Snacks provided, and candy will be sold to raise money for future teen activities.
