

# Happenings in January 2020 at Trinity West Elementary

*Michelle H. Ostrosky, Principal*

Happy New Year!! It's hard to believe that half of the school year is almost over! The Trinity West faculty and support staff is looking forward to a very positive and successful remainder of the school year for all of our students. The first semester will end January 24<sup>th</sup> with report cards distributed January 29<sup>th</sup>.

Although this winter has not been quite what it usually is with cold temperatures, cold weather is here! Please make sure that your child wears a winter coat to school. A child's health could be at risk if he or she is exposed to the harsh elements for even a short period of time. We must always be prepared for emergency situations.

As always, please feel free to call me or to stop in to talk with me regarding any concerns, questions or comments that you may have about your child's education. Only together, can we create the best for our students at Trinity West!
