West News

Dear Families,

It is so hard to believe that November is coming to an end and when we come back from break there are only 3 weeks until Christmas! The school year is flying by and we still have so much to learn and do!

Parent-Teacher conferences were well attended at the beginning of the month. Please don't forget that if you ever have a question about your child's performance in any class all you need to do is contact the teacher. One helpful site for your child (in grades 3-5) is IXL, which is a program to reinforce concepts from class, provide remediation for students who require it, and provide enrichment for those who need more. In addition to using this as a tool in our classrooms, it is available for students to use at home. Simply login at <https://www.ixl.com/signin/trinityasd>. Also new is our district website! Log on to trinitypride.org and click on the schools tab to find Trinity West.

Please also remember that we still go outside to play as long as the weather cooperates and it's not below freezing - please make sure your child wears a coat to school for those chillier days ahead!

December is a month packed with activities at school. Please refer to the calendar so that you will not miss out on any of the holiday fun. Have a safe and happy holiday.

Mrs. Ostrosky

Building Improvements

This year, Trinity West Elementary is seeing lots of improvements! Last summer, the HVAC system was upgraded, leading to better temperature control—to the relief of many of us. Other little changes are afoot: from the new sign out front, to the blue decorative wrap on the front doors, the “Home of the Hillers” above the cafeteria stage, and the sensory walk extending down the hall in front of the library—the building is looking a bit brighter, month by month!

Ask your child what's new this month!

SANTA SHOP: December 9-13

We need VOLUNTEERS (with clearances and training) to help run the shop.

The Santa Shop offers a variety of trinkets students may purchase for friends and family. Students always find this a lot of fun! With enough volunteers, we can help students wrap their presents before taking them home.

Bottle Cap Art in the Fourth Grade

Our new art teacher, Mrs. Kirkpatrick, has a fascinating project underway—the fourth graders are designing and creating a bottle cap mural!

Want to pitch in? Please send any and all clean plastic bottle caps to school with your child! Thank you!

The Energized Guyz visit Trinity West

On Thursday, November 14, Trinity West students enjoyed a “25 minute interactive comedy” about energy conservation, courtesy of West Penn Power and The National Theatre for Children.

Second Grade Meets JUDY MOODY!

On Monday, November 18, second grade students and teachers saw a fun, musical play version of Megan McDonald’s books. “Judy Moody and Stink” brought to life the adventures of Judy and her brother, Stink (with his smelly shoes), at the Byham Theater in Pittsburgh.

Thank you to parents, Gabby Market, and Hillhouse Pizza for generous donations that made this field trip possible. We’re grateful to the Pittsburgh Cultural Trust, which provided transportation through their bus subsidy fund.

MAKE UP PICTURE DAY

December 3rd is the day for Picture Day make-up and retakes. Send all printed photos back to school with your child, to return to the photographer.

VETERANS’ DAY ASSEMBLY

On November 8th, Trinity West held a Veteran’s Day assembly, complete with veteran guests of honor and informational posters about the different branches of military service.

Students met Officer Ben (a USMC veteran) & his service dog, Hiller. A few students even got to try on part of a ghillie suit and a helmet! Several members of our local VFW chapter attended, too. Our own Mrs. Chopp, a veteran JAG herself, also participated.
