

## 2022 Annual Staff Climate Survey Summary

**Demographic questions are optional. They are intended to help us learn if staff members of all backgrounds and identities receive respect and fair treatment in our District. The data is only used for analysis on groups of 10 or more to avoid identification.**

947 out of 4616 staff members (20.5%) responded to the Climate Survey.

Tables reflect total percent for both Agree and Strongly Agree responses.

All BIPOC includes all responses that were identified as Asian, Hispanic/Latinx, Middle Eastern/North African, Native American/Alaska Native, and Pacific Islander.

Prefer not to say responses are included in All Staff summary.
