Public Comments:

Randi Paynter stated that the agreement is encouraging as it reflects the District's priorities such as stipends of Title 1 teachers, increased stipends for RSP and SDC teachers as well as stipends for Montessori trained teachers. She asked about 1) if the District grants stipends to bilingual teachers whether they work in a dual immersion program or not 2) do all Montessori teachers get the stipend whether they work in a Montessori program or not? Ms. Wieser responded that teachers who hold a certification for second language skills receive the stipend and that only teachers who work in Montessori schools receive the stipend.
