

## COVID - 19 Special Consideration Procedure 2022

Felsted's examination candidates are expected to sit all the examinations for which they have been entered.

However, if an examination candidate has tested positive for COVID-19 or is significantly unwell with relevant symptoms, UKHSA *guidance* states that he/she should stay at home for three days.

Wearing a mask after the three days is recommended.

A candidate who is staying at home and avoiding contact with others, in line with the UKHSA guidance, at the time of the examination, is considered to be absent from the examination for an acceptable reason. Felsted would provide Form 14 -JCQ/ME - Self-certification for candidates who have missed an examination. The candidate will complete the form along with their parent or HM.

It should be noted that if a candidate provided false information on eligibility for special consideration, the candidate's results could be withdrawn, or the candidate could be disqualified from the specific qualification, and potentially other qualifications ie all GCSEs or A Levels would be void

Felsted would only make an application for special consideration if confident that the candidate meets the criteria.

Due to the exceptional circumstances this summer, for GCE AS, A level and GCSE qualifications offered by AQA, Eduqas, OCR and Pearson a grade will be awarded where eligible candidates, absent for an acceptable reason, **have completed the assessment(s) for at least one whole component within the specification**
