

Gateway Regional School District
Financial Report Through Month Ending 3/31/21

The purpose of this report is to highlight the status of the FY '21 budget as of the end of March. This report is intended to provide brief explanations of accounts that are anticipated to have a large surplus or deficit balance at the end of the year. This report will be distributed to the school committee and posted on the Gateway website in an effort to keep everyone up to date on the financial condition of the Gateway School District.

REVENUE

Bank interest, miscellaneous receipts, and charter school tuition will be higher than budgeted. Regional transportation reimbursement will also depend on the total cost of transportation for all regional schools, which drives the total percentage reimbursement. The district would need to use the transportation reimbursement fund to make up any differences in regional transportation reimbursement, if reimbursement comes in lower than budgeted. Excess transportation reimbursement will be deposited into the transportation reimbursement fund to offset future transportation budget.

ADMINISTRATION/SCHOOL COMMITTEE

Accounts in this fund are running as expected. Legal cost expenditures always depend on issues that arise throughout the year.

INSTRUCTION

Many instructional accounts will be underexpended. Staffing changes, changes in placement of paraprofessionals, etc. are flexible throughout the school year. Therefore, there is a very good possibility that account transfers will be necessary throughout the year as the needs of the students are met. If staff members who indicated that they would be receiving a degree change have not met all requirements, there could be a small balance in some of the teaching accounts. Due to hybrid and remote learning, some staff that have left the district have not been replaced for the FY '21 school year, which will lead to a large surplus in those accounts. The adjustment counselor salary line items will be underexpended due to the fact that a portion of the new position was covered under a grant applied for after budget adoption. Additionally, any staff that have unpaid days will result in balances in staffing line items as well. Substitute account spending will be underexpended due to remote learning.

OTHER SCHOOL SERVICES

The regional transportation, special education, and homeless transportation will be underexpended due to the reduction of the use of any remote learning days. The Title I grant will fund homeless transportation for FY '21. Athletic stipends and transportation will be underexpended due to reduced schedules this year.

MAINTENANCE/OPERATIONS

Accounts in this category are running as expected at this time. Electricity accounts may be underexpended depending on the end result of net metering credits, as well as less use of building space depending on any shutdowns throughout the year.

FIXED COSTS

At this time all accounts are running as expected. Active employee health insurance varies depending on open enrollment toward the end of the year as well as any premium increases. Unemployment will likely be overexpended due to the number of staff out of work for remote and carryover from FY '20. There will be a balance in the Employee Separation Costs account if all employees that indicated that they were intending on retiring do not retire at the end of the year. This balance would be transferred to the Compensated Absence Reserve Fund for funding future retirement costs.

ACQUISITION, IMPROVEMENT AND REPLACEMENT OF FIXED ASSETS

Both accounts are running as expected and should through the entire year.

CAPITAL COSTS

All accounts are running as expected and should through the entire year.

PROGRAMS WITH OTHER SCHOOLS

The school choice and charter school accounts vary depending on the number of students opting for each. Any adjustments are made from the state mid-year and then again in the spring. Charter school tuition will be overexpended this year, due to an increase over the cherry sheet figures released with the state budget.

SUMMARY

As of the third quarter report, the FY '21 budget status is positive.
