

Fourth Grade Required Summer Reading 2022

Happy Summer! In 4th grade, we ask that you read at least 3 independent reading books every quarter. This is an easy way to earn a 100 towards your overall reading grade. This Summer, we also ask that you read 3 books. We encourage families to spend time reading each week. See below for details on how to select your books and happy reading!!

Knowing how to choose a good book is part of being a good reader. Please choose books that are "just right." These books are books that are not too hard and not too easy.

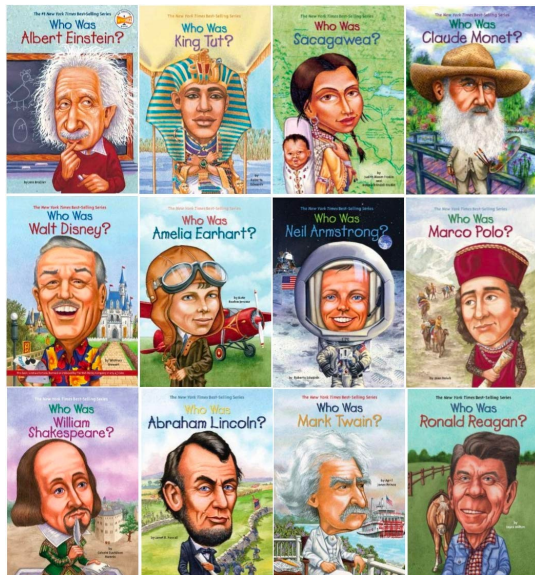

Ways to Enjoy Reading:

- Listen to a book being read aloud
- Take turns reading with a friend or parent
- read the book by yourself and tell someone about your favorite parts
- record yourself reading
- create a book club with your friend
- make a list of the books you have read and rate

Part 1:

Read or listen to ONE non-fiction book from the “Who Was” series and ONE fiction book from the “I Survived” series. We will complete a project about one of these books the first week back to school in August. The book you choose should be one you have NOT read before.

Part 2:

Read or listen to at least one book from the reading list on the next page. Please record this and any other books you read on the summer reading log. Please have your parents sign beside it. Turn this in on your first day back to school.

Part 2 continued:
