The Poolville Independent School District regards parents as active partners with teachers and school staff in the education of their children. We understand that parent involvement is essential in creating a positive, safe, and productive school climate and culture.

At Poolville ISD, we believe that in order for every child to experience academic and social success, parents must have an understanding of curriculum, academic achievement standards, district/school policies and procedures, and consistently be involved in their children's social and extra-curricular events. Parents actively monitoring their children's progress regularly while working with educators will significantly improve the achievement of their children.

It is our goal to provide a variety of ways for parents to support at school and at home. Here are a few examples:

- Ascendar Parent Portal
- BOY Meet the Teacher Events
- Parent/Teacher Conferences
- Title I Parent Meetings
- Fundraisers
- Awards Ceremonies
- UIL Athletic/Academic Events
- Recognition Events (Grandparents/Mothers/Fathers)
- Veterans Day Celebration
- Parent-Teacher Organization (PTO)
- Site-Based Committees
- Fall Festival
- Field Trips

The Poolville Independent School District is committed to the success of all students. Through our Parental Involvement Program we will strive to work together with parents to provide excellence in education.
