Summer School by Invitation Only

We are pleased to announce Pleasant Hill Elementary will be offering, by invitation only, a 3-week summer school program immediately following the end of this school year. The goal of this summer program is to provide students with additional academic instruction focused on their individual student needs beyond the regular school year.

How are students selected to participate? Students selected to participate have participated in our Title I program, K-5, this school year. The Spring DIBELS benchmark indicates they would benefit from this experience and teacher input.

Due to staffing, approximately only 60 students in grades Kindergarten through fifth grade will be invited to participate. You will be receiving an invitation, as well as a permission slip if your student is invited to participate.

Yearbook

This year, a student at the high school asked to produce a yearbook just for the elementary to celebrate the return to a normal school year. This student has been collecting photos from teachers and putting the finishing touches on the yearbook.

Our PTO as an end of the year gift to our families will be purchasing a 2021-2022 yearbook for each family. If you would like to order additional books, there will be a charge of \$20.00 per book ordered. Please fill-out and return the attached order form by Friday, May 27th.

5th Gr. Transition Parent Meeting

Will your student be a 6th grader next year? If the answer is yes, you are invited to attend a special Parent Night at the high school Monday, June 6th at 6:00 p.m. at the high school student center / cafeteria.

This meeting is designed to allow you an opportunity to learn more about the 6th grade program, gain some valuable information regarding what you and your child can expect, as well as get answers to any questions you might have answered.

Library News

The last day of library check out is Friday, May 27th. Mrs. Kordon will begin preparing the library for our annual book inventory scheduled for the week of June 6th. Please assist your students in locating and returning their library books. All library books are due by Friday, June 3rd. Unfortunately, a library book bill will be generated and sent home with student's whose books have not been returned.

Student Medications

All student medications **must be picked up by a parent at school, by Friday, June 10th.** Medications cannot be sent home with a student, mailed or transferred to another school. We cannot store medications over the summer. **All remaining medications left at school will be disposed of in accordance to our District policy on Friday, June 17th.**

LATE STUDENTS MISS OUT...

During the school year, parents have the important responsibility of seeing that students establish patterns for punctuality and good attendance. The patterns established during these years very often become life patterns. If your student is late for school...

- • They may feel conspicuous and embarrassed when entering the room late.
- • They miss morning greetings from their teacher and their classmates.
- • They will miss the group experience of starting a new school day together.
- • They will miss the important instruction given at the start of a lesson.
- • They may feel pressure from having to catch up.

Children like to feel that they belong to their group of classmates. Teachers try to make every member of the class feel that they belong and are important to the group. Please help by seeing that your child is in class as close to 8:00 a.m. as possible.

REMINDERS FROM THE OFFICE

ABSENCES: If you are keeping your child home, **PLEASE** call the office attendance line, **541-736-0411**, otherwise we will be calling you to verify your child's absence as required by law.

PHONE MESSAGES: We request that all of our families who discover throughout the school day their child's after school plans need to change **please call the school office before 1:00 p.m. as we deliver notes to classes at 1:15p.m.**
