Reunification

First, we want to thank you for your patience during this reunification. We share the same goal during this process: getting you and your student back together as quickly as possible. The reason we're going through this is that an event has occurred at the school that mandates we personally reunite you with your child.

Instructions

1. Complete the information on this card & keep it handy (e.g. car glove compartment)
2. Prepare identification (Driver's license or state-issued ID card).
3. Select the check-in line based on either student last name or student grade.
4. After check-in, staff will split this form and a runner will be sent to recover your student. Please move over to the Reunification Location per instructions.
5. If there has been an injury/concerns, you may be asked to meet with professionals.
6. Please don't shout at staff. We'll get through this as quickly as possible.
