

# Requesting an Accommodation for Special Dietary Needs Procedure and Process

Mt. Vernon Community School Corporation adheres to specific United States Department of Agriculture (USDA) guidelines in providing special dietary accommodations for students. A "reasonable modification" is a change or alteration in practices or procedures to accommodate a disability that ensures that students with disabilities have equal opportunity to participate in or benefit from the program. In accordance with the criteria set forth in [7 CFR Part 15b](#), those students who are unable to eat the school meal due to a disability, medical need, and/or impairment are accommodated, at no additional charge. Meal modifications must be related to the disability or limitations caused by the disability. The USDA regulations for school nutrition programs does not require meal modifications for children whose special dietary needs do not constitute a disability, including those related to religious or moral convictions, general health concerns, and personal food preferences.

Per [Section 504 of the Rehabilitation Act of 1973](#), parents/ guardians have a right to an evaluation of their student if the district has reason to believe that the student has a mental and/or physical impairment that substantially limits a major life activity, which can involve eating/digestion. Students have the right to this evaluation before any plan for accommodation. Parents/guardians should ensure that they contact the school if they feel as though an evaluation would be appropriate.

Parents/guardians should complete the necessary information on the medical statement form in order to request an accommodation for their student. The school may contact the student and parents/guardians for additional information as needed. For example, if the substitutions needed for accommodations fall outside of the USDA meal pattern, the form must be signed by an authorized medical authority with prescriptive privileges in the state of Indiana.

## Procedural Safeguards

If the household feels that reasonable accommodation are not being met, they have the right to contact the school's 504 Coordinator and:
