Affordable Connectivity Program Information
(Discounted/Free Internet Service)

The Affordable Connectivity Program (ACP) provides eligible households $30 per month off their internet bills.

Eligible families who pair their ACP benefit with a qualifying plan can receive high-speed internet at no cost.

Your household may be eligible to receive a monthly discount on a new or existing internet service plan via one of the following methods:

- Qualify through your participation in a government assistance program
- Qualify using your household income
