

Free and Reduced Meal Application Guidelines

Dear Parents/Guardians:

Free and Reduced Price school meals are available to families who believe they qualify. Only one application needs to be completed for all students in the household. Families choosing to apply for meal benefits have two different options: Online Application or Paper Application. **For faster processing, an online application is recommended; the process is safe, secure, private, and available anytime, anywhere.**

Online Application – Please follow the steps below to complete an online application.

1. Log into your SKYWARD FAMILY ACCESS account
2. Click on Food Service
3. Choose the down arrow next to the “all students.” If you have more than one child, you only need to select one of your students.
4. Click Application
5. Fill out all required information on the application
6. Click the submit button

Paper Application – If an online application cannot be accessed, a paper application may be obtained in any of the following ways.

- You may pick up an application in the Administration Office or any of the School Offices.
- Contact Doris Johnson (information below) to have a paper application mailed to you.

Completed applications should be dropped off or mailed back to Administration Office:

Mt. Vernon Community School Corporation
1806 W. State Road 234
Fortville, IN 46040

Students with free/reduced meal status from the previous school year are granted a temporary 30 day carry-over meal status. Before the 30 day grace period is expired, a new application must be submitted in order to continue receiving free/reduced meal benefits. If a new application is not submitted within the first 30 days of school, your status will default to a regular paid lunch. You will be notified by mail of your child's status. Until notification you must provide your child with a lunch or lunch money. ***Applications must be filled out every year!***
