APPLICATION TO DRIVE ON SCHOOL PROPERTY

In accordance with our district Student Search and Seizure policy C550, permission for a student to bring a vehicle on school property shall be conditional upon consent of the search of the vehicle and all containers inside the vehicle by an administrator without individualized reasonable suspicion. The student and the owner of the vehicle shall have no expectation of privacy in any vehicle or in the contents of any vehicle on school property. The Superintendent shall prepare a written agreement consistent with this Policy to be signed each school year by each student driving to school and the owner of each vehicle driven to school. Each vehicle brought on school property by a student shall display a decal showing that the written agreement permitting the search of that vehicle has been signed.

A complete list of driving and parking lot rules and regulations will be given to each student who applies for permission to drive to school. Both student and parents are expected to read these rules and regulations if students wish to apply for permission to drive. Mt. Vernon High School and Mt. Vernon Community School Corporation are not responsible for any damage to a vehicle being driven on school corporation property nor for any theft or vandalism of personal property that may occur on school corporation property.

Before students will be allowed to drive, they must complete the "Drive on School Grounds" application kept on file in the office and complete the online form to participate in the Random Drug and Alcohol Testing program. All vehicles must be registered and a parking tag for the current school year must be 22 displayed properly. There will be no refunds made if students violate driving regulations and lose their driving privileges.

Students unable to abide by the driving and parking regulations will have consequences including but not limited to: having their right to drive to school suspended, parking citation, and vehicle towed at owner's expense.
