

TIME TO SCHEDULE FOR THE 2019-2020 SCHOOL YEAR MARAUDERS!

You must complete your schedule request sheet AND enter in your requests on Skyward by **February 13th.**

- Your request sheet needs to be signed by a parent/guardian and turned in to your SRT or 1st block teacher.
- Skyward instructions are on the back of this sheet.

The course handbook with descriptions of classes and graduation requirements is located on the counseling website along with the scheduling powerpoint under Course Scheduling Information.

For classes that require applications you can print those off from the counseling website on the link listed above or pick them up in the counseling center.

If you'd like to meet with your counselor to discuss your future schedule you can email them or fill out a request form online. PLEASE be patient while they work on getting back to you and calling you down. Counselors will meet with all students after spring break to review course requests.

If you do not turn in a request sheet or request classes in Skyward your counselor will be entering in classes for you! Schedule changes are not guaranteed! Make sure you're selecting not only the classes you need for graduation but also the electives you want to take! Course requests may be altered due to class availability and enrollment.

HAPPY SCHEDULING!
