

Students in Clever

2019-20

Finding the Website

- Go to MVCSC website at <http://www.mvcsc.k12.in.us/>
- Click on “Student” or “Staff” Resources drop-down menu
- Select **Clever**
- Click on the “e” that says “Edmentum - Courseware, Assessments, Exact Path
- Bookmark this page

Getting Acquainted

- Watch the EDMENTUM **tutorial video** before starting the course. The tutorial explains how to navigate through the program.
- On your homescreen, there is a box with your course. Click on “**All Activities.**”
- Click on “**EDMENTUM Student Orientation.**”
- In the Table of Contents, click on “**3**” for the video tour.
- In the upper left corner, click on “**Student Orientation Tutorial**” and start the video.

Navigating EDMENTUM

- We recommend doing all lessons / tutorials **in order**.
- You must earn at least **80%** to “master” a lesson on the mastery tests.
- If you don’t get 80%, you must go back through the tutorial to unlock the mastery test.
 - We recommend you do this right away while information is fresh in your mind.
 - You can do this up to 3 times before being locked out of a test.

Navigating EDMENTUM, cont.

- After 3 unsuccessful attempts on the test:
 - You must redo the ENTIRE tutorial
 - Then ask / email the teacher with the lesson name you are requesting to be unlocked.

Tutorials (Lessons)

- Tutorials are equivalent to a lesson in a text book. They will prepare you for the mastery tests.
- Tutorials have blue links that you can click on for more information.
- You should take notes during tutorials such as:
 - Definitions, Phrases
 - Examples, Questions
- *Your notes can be used when taking the mastery tests.*

Mastery Tests (Quizzes)

- Mastery tests are equivalent to lesson quizzes in text books.
- Focusing on the tutorial before the mastery tests will give you necessary information in order to pass the tests.
- You will keep taking the test until you earn 80% mastery.
- If you earn less than 80%, going back through the tutorial will “unlock” the mastery test.

Mastery Tests (Quizzes), cont.

- After 3 unsuccessful attempts, the teacher must “unlock” the mastery test.
- Before the teacher can “unlock” the test, you must first go back through and reread the ENTIRE tutorial. Take more notes!
- The teacher can check the date, time, and how long you were in the tutorial.
- We recommend you come in, ask questions, and review before the test is unlocked again.
- This process will repeat until you have earned mastery of 80%.

Unit Post (Chapter) Tests

- Unit Post Tests are equivalent to chapter tests in a text book.
- You must have all the lessons / mastery tests completed to take the Unit Post (Chapter) Tests.
- We recommend you come in, ask questions, and review before the taking the Unit Post Tests.
- You only get **ONE attempt** at the Post Tests.
- You must **come to school** to take the Unit Post Tests.

EOS (Final Exams)

- End of Semester (EOS) Tests are equivalent to final exams.
- These tests must be taken at school.
- These tests can only be taken ONE time.
- The EOS test counts for 20% of your overall grade.

Skyward and Grades

- Your course is listed on your Skyward schedule.
- Your final grade will be added to your Skyward transcript at the end of the quarter when grades are calculated.
