

DWIGHT SCHOOL SEOUL SUMMER ACADEMY

Summer is for Trying.

We are very excited to invite you to register for the Dwight School Seoul Summer Academy 2022, for students in Grade 6, 7, and 8! This session will run from June 20th to July 1st. Our team of experienced educators has worked hard to prepare a program that is student-centered, engaging, and most importantly FUN! This year's program will include the following;

Break down of the day:

Program	Snack and Recess	Program	Lunch	Sports and Activities	Program	Dismissal
---------	------------------	---------	-------	-----------------------	---------	-----------

*Please note the programs below are subject to change depending on the number of students who register.

The Power of Chemistry: This course introduces a variety of practical skills, problem-solving skills, and an understanding that would be of interest to students who plan to study advanced MYP Chemistry for Grade 6 to 8 or DP Chemistry for Grade 9 to 10.

Coding Camp: Have you ever wanted to code? This is your opportunity! Students will learn the fundamentals of programming and developing front-end webpages using HTML, CSS, and Javascript. It will include how to structure pages, create forms using HTML, decorate using CSS, and add event-specific actions using Javascript.

Korean Culture & Cuisine: Do you have an appetite for Korean culture and cuisine? Discover traditional and modern Korean culture! Students will learn about Korean culture through various activities including cooking delicious and healthy Korean foods and snacks.
