## MAKING THE RIGHT PROFESSIONAL DECISION

When thinking about a career change, there is much to consider, particularly if that change involves an overseas move. And this decision isn't yours alone as the needs of your partner and children also need to be considered. Since AISL considers faculty to be our most valuable asset, this decision is critical for our school as well. While many quality international schools and communities exist around the world, there are also many talented and dedicated international educators. Consequently, the issue is not about finding a good school as much as it is about finding the right school that offers a mission, program, and professional learning community that is aligned with your educational beliefs and values.

Our goal is to provide you with important information about the American International School of Lagos together with an understanding of AISL's beliefs and values about teaching and learning. The information presented addresses five essential questions:

1. What makes AISL special?
2. How does AISL define learning?
3. What does a great teacher look like at AISL?
4. What does Victoria Island in Lagos, Nigeria have to offer?
5. Is AISL the right fit for me?

## WHAT MAKES AISL SPECIAL?

- ▶ A true not-for-profit international school serving 450 students representing over 50 nationalities.
- ▶ A talented and committed faculty and staff who stay a while.
- ▶ Globally recognized and accredited by the Council of International School and the New England Association of Schools and Colleges
- ▶ Two Diplomas: The American High School Diploma and the International Baccalaureate Diploma.
- ▶ Practicing a philosophy of inclusion by offering a comprehensive Student Support Services Program
- ▶ A robust after school co-curricular program where students pursue their interests and passions.
- ▶ A strong commitment to service learning and making a positive difference in our school and local and global communities.
- ▶ Time and resources to support teacher professional growth and development.
- ▶ Supportive and engaged parents.
- ▶ A connected AISL Alumni Association

## HOW DOES AISL DEFINE LEARNING?

The goal of learning is to understand, apply, and transfer knowledge and skills to a variety of contexts that exist within and beyond the school. AISL defines learning as a lifelong process that deepens what we understand, builds on what we know and can do, and develops our character.

## WHAT DOES A GREAT TEACHER LOOK LIKE AT AISL?

An AISL teacher understands that...

- learning is more meaningful and relevant when students have a voice and choice;
- well-structured and purposeful remote and physical learning environments empower students to think, create, innovate, and collaborate;
- collaboration and teamwork leads to improved student outcomes;
- safeguarding the welfare of children is the top priority.

### WHAT DOES VICTORIA ISLAND IN LAGOS, NIGERIA HAVE TO OFFER?

AISL is located just outside of the city of Lagos on Victoria Island which has emerged as the commercial hub of Lagos. This upscale residential area offers quality local and international cuisine at fine restaurants, artisan bakeries, and cafés. Victoria Island has a vibrant art and music scene as well, and showcases the richness of Nigerian culture. The coastline offers an escape from the hustle and bustle of the city. Beautiful beaches that offer some peace and quiet are a short boat or car ride away. With all of its cultural richness, Lagos is still a part of the developing world and with that comes challenges. Be prepared for occasional power cuts and surges, an inconsistent (although improving!) internet connection, things not always working, instances of petty theft, and traffic. A lot of traffic...! As the popular greeting goes in Lagos, Nigeria...You are welcome!
