

PETITION

TO THE EXECUTIVE BOARD OF THE WAHS PARENT-TEACHER-STUDENT ORGANIZATION (PTSO)

The PTSO has supported WAHS students and staff over the years, including oversight of staff hospitality events, Senior breakfast, Homecoming parade, and the West Aurora Parent Scholarship program. The organization relies on parent volunteers to assume its executive board positions. However, PTSO has struggled the past few years to fill those roles. Parents will readily volunteer their time for specific activities but are less interested in assuming the more time-consuming officer positions, particularly president and vice president. The organization cannot function without filling these positions.

The WAHS Activities Department already oversees student activities and has offered to assume the responsibility for enlisting parent volunteers for activities currently overseen by PTSO.

We, the undersigned PTSO members, affix our signatures in support of the petition to dissolve the PTSO organization, and urge allocating any remaining treasury funds to the West Aurora Parent Organization Scholarship program.
